NO MORE ONLINE WHITE CARDS

The Queensland Government has stated [no more online Queensland white cards](#) from 1st February 2019 unless the individual lives 100km from an RTO.

ASSET HAS ALWAYS DELIVERED THESE IN CLASS. Many online providers are flouting these new rules by issuing WA White Cards to Queensland Residents. Be wary of this practice as it may result in your white card not being accepted by major employers. We offer scheduled 4 hour courses and can deliver on-site when needed.

STUDENT SUCCESS STORY

'After 18 Years Of Being A Stay At Home Mum, I'm Now Back In The Workforce!'

I absolutely recommend Asset College and Asset Recruiting. Let me start at the beginning and try to make a long story short.... I've been a stay-at-home parent for the past 18 years, picking up casual employment here and there.

It has been amazing, and I will always be grateful to the entire ASSET team for their knowledge and support in the industry – it has paid off and I'm up and running in an industry I have aspired to work in since forever.
