

LEADERSTAT EXECUTIVE SEARCH

Start your search for permanent leadership here

Finding talented leaders who are experienced and committed to your mission and values is critical to your organization's success. Let our decades of experience connect you to the best and the brightest in the healthcare sector.

Our years of collective experience in the healthcare field help us to uniquely hone in on the candidates you're looking for to complete your management team. We offer two executive search options: LeaderStat Classic and LeaderStat Premier, our retained search model.

LEADERSTAT CLASSIC RECRUITING:

We specialize in placing experienced leaders in key management positions. Our clients call LeaderStat Classic when they are searching for regional and facility level staff. Our classic placements include:

- Administrators/Executive Directors
- Directors of Nursing
- MDS Coordinators
- Clinical Liaisons
- Nurse Managers
- Sales/Marketing Directors
- Regional Operations Directors
- Nurse Practitioners
- Food Service Directors

LEADERSTAT PREMIER SEARCH:

LeaderStat Premier is our retained search division focused on placing top executives in healthcare organizations. We provide each client with a dedicated executive search team and exclusive partnership throughout the entire process. Our premier searches include:

- Presidents/CEOs
- Chief Executive Officers
- Chief Financial Officers
- Chief Operations Officers
- Chief Clinical Officers
- Senior Vice Presidents
