

Vivo Announces Name Change and Expanded Offerings

New brand reflects company's mission to empower business with superior technology.

Phoenix, ARIZ. (Jan. 1, 2020) – Vivo-Comm has unveiled a new name and new logo as part of a rebranding. The company's name will now be Vivo Technologies LLC – **Vivo** for short. Vivo is a technology solutions provider for both domestic and international businesses.

The rebrand is more than cosmetic. The company has removed the "Comm" that focused on communication as the company expands its portfolio offerings to better meet the needs of our customers through an end to end technology stack. This name change represents a significant step in the company's growth and evolution.

Since its founding in 2014 Vivo has experienced tremendous growth year over year with expansion including new locations in several cities including Houston, Indianapolis and Phoenix. With a growing number of resources Vivo will focus on finding new ways to add value to its customers.

The rebrand includes a domain update to **vivo.tech**. Please visit **www.vivo.tech** to explore the website and learn more about the products and services offered.

About Vivo

Our mission is to empower our clients with superior technologies. We're focused on creating an amazing experience for IT Departments through support and value-added services, Procurement Departments through consolidation and ease of purchasing, and ultimately each End User through intuitive and streamlined technologies.
