

A COMPLETE INTRODUCTION TO ASAP AT AN INCREDIBLE PRICE!

Build a successful business at an unbeatable price!

Our business start-up package includes everything required to successfully service the needs of your clients

SKINCARE

asap is Australia's No. 1 cosmeceutical skincare range and offers simple, effective and affordable solutions to your clients' skin concerns. Your package includes the complete range of asap skin products, testers, product display stand, value packs, marketing material and business support.

MINERAL MAKEUP

asap pure is Australia's first cosmeceutical mineral makeup. The award-winning range is beautifully packaged and contains skin improving ingredients that effortlessly create a fresh, radiant complexion while the impressive price point ensures ongoing client loyalty. Comes complete with retail products, testers, display stand, marketing material and product education.

MICRODERMABRASION

Developed by asap and Australian made, Microplus+ combines the benefits of microdermabrasion and sonophoresis in the one device. Microplus+ offers an ongoing return on investment and comes complete with on-site training, marketing material and over \$1200 of bonus professional product.

PROFESSIONAL PEELS

asap professional-only peels are an extremely cost effective way of improving your clients' skin in minutes without any down time. Includes the complete set of peels, neutraliser, application tools and education; this low cost, high margin kit has a potential return of over 10K!
