

# A COMPLETE INTRODUCTION TO ASAP AT AN INCREDIBLE PRICE!

## Build a successful business at an unbeatable price!

Our business start-up package includes everything required to successfully service the needs of your clients

### SKINCARE

asap is Australia's No. 1 cosmeceutical skin care range and offers simple, effective and affordable solutions to your clients' skin concerns. Your package includes the complete range of asap skin products, testers, product display stand, value packs, marketing material and business support.

### MINERAL MAKEUP

asap pure's award-winning makeup is a concise range that is easy to use and recommend, is beautifully packaged and offers an impressive price point to ensure ongoing client loyalty. Comes complete with retail products, testers, display stand, marketing material and product education.

### MICRODERMABRASION

Microplus+ is an asap developed device that is Australian made and offers an ongoing return on investment year in, year out. Comes complete with on-site staff training, marketing material and support, and over \$1200 of bonus professional product!

### PROFESSIONAL PEELS

asap professional-only peels are an extremely cost effective way of improving your clients' skin in minutes without any down time. Includes the complete set of peels, neutraliser, application tools and education; this low cost, high margin kit has a potential return of over 10K!
