

# NEW PROCESS FIBRE COMPANY, INC.

Non-Metallic Stampings – Extruded Thermoplastics

Scott D. Jerman Quality Assurance Manager  
Ext. 209

P/N:

RE ECHA: Review of Materials used in New Process Fibre manufactured items.

New Process Fiber action on EU regulation EC 1907-2006 Registration, Evaluation, Authorization of Chemicals (Reach) substances of very high concern (SVHC) listing (including all ECHA SVHC candidate list updates up to and including June, 2016) and Reach Annex XIV (published 17 February 2011) and most recent Consultation list (September 2, 2013.)

We have concluded that none of the listed substances on the SVHC candidate list are knowingly added to the product or processes used to produce the parts listed above at a greater level than 0.1% / weight. Additionally, we have concluded that none of the substances listed in REACH annex XIV are knowingly added to the product or processes used to produce the parts listed above supplied to **Company Name**.

Thank you,

Scott D. Jerman  
Quality Assurance Manager
