## COVID-19 solutions to know and understand

Workforces across the U.S. are incurring unexpected expenses as a result of the pandemic. There are a number of solutions employers can provide to support them by covering a variety of healthcare, financial and wellness costs that have recently emerged. These customizable solutions include Disaster Relief Payments (Sect. 139), Emergency Spending Accounts and Lifestyle Spending Accounts. [Compare and contrast these plans using our comparison chart.](#)

## Adapt existing employee benefits due to COVID-19

Consumers are looking to adjust their current benefits as their needs have changed due to new work-from-home policies, school and daycare closures and postponed healthcare appointments. Our COVID-19 website has a page dedicated to participants and the questions they need answers to now. [Share this site with your clients and their employees to help them navigate this complex situation.](#)
