

COVID-19 Webpage for Group Benefits

As the COVID-19 situation continues to evolve, we know you have questions—we have them too. And we're working to get you answers as quickly as possible.

To that end, we've developed a [webpage](#) dedicated to the impact COVID-19 has on our Group Benefits and Stop Loss business. It houses coverage updates related to COVID-19, as well as information on new federal and state requirements that may affect your clients.

The webpage and its linked content will be updated regularly as we learn more. We encourage you to bookmark this page and to check back frequently for the latest information. If you have questions, please contact your [Symetra representative](#).
