The screenshot shows a table with columns for Day, Working Hours, Timezone, and Day off. The Timezone column is expanded to show a list of options, with 'America/New\_York' selected. The Day off column contains checkboxes and 'Breaks (0)' for each day.

### Exceptions to normal working hours

These are the exceptions to Katie's regular working hours. If there are one-off days where Katie is working different hours, or in a different location then these can be set here. If you wish to add a day off, this can be done further down on this page.
