

**How can online booking boost  
your business?**

# Win more clients

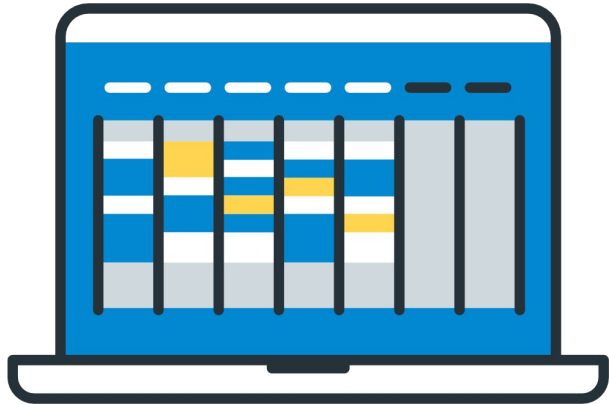

Win more clients with 24/7 online bookings using Appointedd's booking tools.

The Appointedd booking app integrates seamlessly into your existing website and Facebook page.

The mobile-optimized, customizable app provides a seamless booking experience for your clients.

---

# Save time and money

Save time and money with automated SMS and email confirmations, and reminders.

Add individual and recurring bookings to your online diary in a few clicks.

---

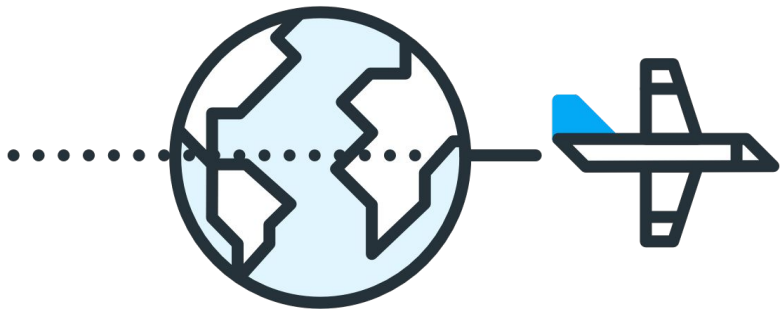

# Build customer loyalty

Send SMS and email marketing promotions to your customers in minutes.

Schedule marketing campaigns to make sure your customers keep coming back.

# Be mobile

Manage appointments, staff and customers on the move using our iOS and Android app.

Reach your customers anywhere, anytime on their mobile devices with promotions, reminders and confirmations.

Your customers can book with you from anywhere in the world with our fully mobile optimized online booking tools.
