

## Running a business on the move is a whole lot easier with online booking

### About Appointeddd

Appointeddd provides an online booking solution that lets you manage your business from a single platform. We want to make it easier for mobile entrepreneurs to keep on top of admin and organization on the move, so you have more time to spend on developing the business you love.

### What can Appointeddd do for you?

- **Save time** with 24/7 online booking that prevents loss of custom from missed calls or slow email exchanges.
- **Increase revenue** by letting customers book out-of-hours or when you're busy, reducing no-shows, and taking payments at time of booking.
- **Increase productivity** by improving organization and automating time-consuming admin tasks.
- **Increase customer service** with automatic confirmations, reminders, and personalized SMS and email marketing and promotions, all without lifting a finger!

## Features to superpower your business

Appointedd's features are designed to take the pressure off you by helping you take more bookings and making it easy to keep on top of business even when you're out on the road.

### Real Time Booking

With Appointedd your customers can book with you online at any time of the day or night, whether you're busy, out of the office, in a meeting, or sleeping! The appointment goes straight to your calendar. So easy.

### External Calendar Synchronization

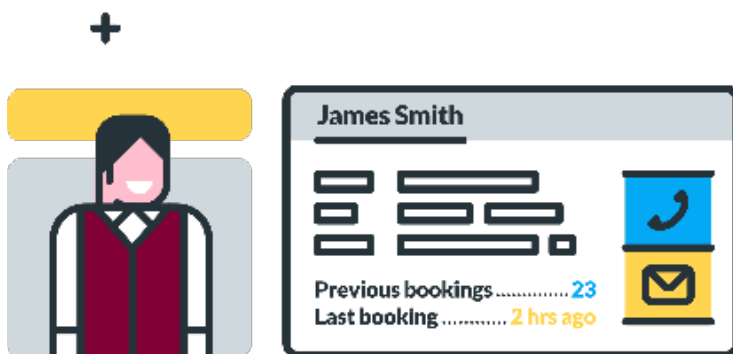

Appointedd has a two-way synchronization with all major calendars, such as Google and iCloud. That means that any appointments made through Appointedd will automatically appear in your external calendar, so you'll never be double booked.

### Automatic Reminders

Appointedd's automatic text and email confirmations, reminders, and cancellation notifications improve customer experience without taking any valuable time away from you.

**Appointedd's text message reminders reduce no-shows by up to 67%**

## Run Classes & Courses

Create classes, courses, and events in your Appointedd diary to easily organize and manage large bookings single-handedly. Customers can book themselves in online so you can keep track of numbers at a glance, on your laptop or mobile.

## Business Management Suite

With Appointedd you can manage bookings and customers anywhere, on any device. Reschedule a meeting from your mobile, see your appointments for the day, or contact a customer directly.

## Customer Relationship Management

Develop marketing campaigns using our customizable marketing emails and SMS. Send out notifications of last-minute appointments, promotions, and special offers to see an increase in revenue, effortlessly!

## Productivity Reports

With detailed customer, staff, and business reports, you can monitor and optimize the health of your business. Our technology ensures small businesses don't miss out on the data-driven revolution.

## Online Payment & Bookkeeping

It's quick and easy to start taking payments online. And thanks to Appointedd's integration with FreeAgent, you can access full payment history and keep your accounts up to date, making tax returns a breeze.
