

Easily manage your real estate business from a single platform

About Appointedd

Appointedd provides a market leading online booking solution, with tools that allow you to manage your business from a single platform. Organize viewings, store tenant details, and see productivity and occupancy reports at a glance.

What can Appointedd do for you?

- **Increase productivity** by improving organization and cutting out extraneous admin operations.
- **Save time** with self-service online booking and automated comms with clients.
- **Improve service** with confirmations and reminders, 24/7 booking, and direct messaging with tenants.
- **Manage** every aspect of the business with ease, on the move, with our business management tools. See areas for improvement at a glance with our automatic reports.

Features to superpower your business

Real Time Booking

With Appointedd, organizing property viewings is easy. Prospective buyers or tenants can see the viewing times and choose a slot, and the booking then automatically appears in your Appointedd schedule.

External Calendar Synchronization

With Appointedd, organizing property viewings is easy. Prospective buyers or tenants can see the viewing times and choose a slot, and the booking then automatically appears in your Appointedd schedule.

Customizable Branding

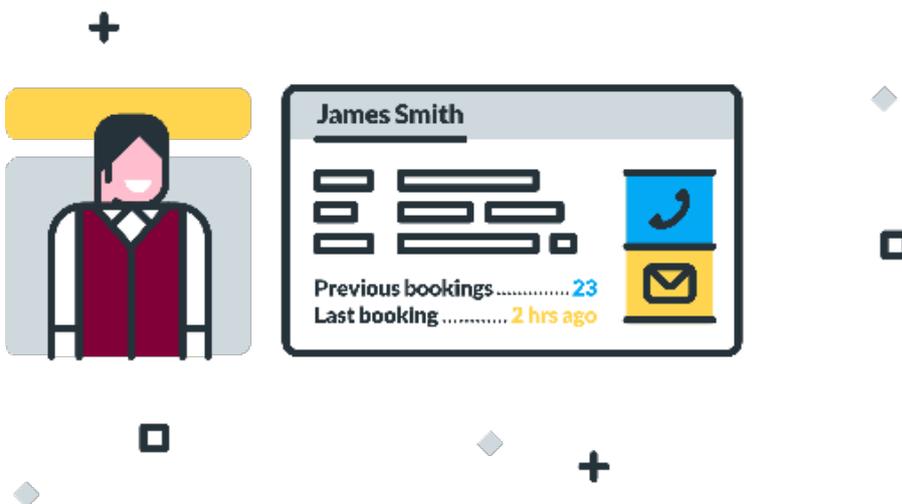

All microsites and booking apps are customizable, so you can design it to fit with your brand and website for a seamless client experience.

Productivity Reports

With detailed client, staff, and business reports, you can monitor and optimize the health of your business. Our technology ensures real estate agents don't miss out on the data-driven revolution.

Appointedd's text message reminders reduce no-shows by up to 67%

Multi-Timezone Booking

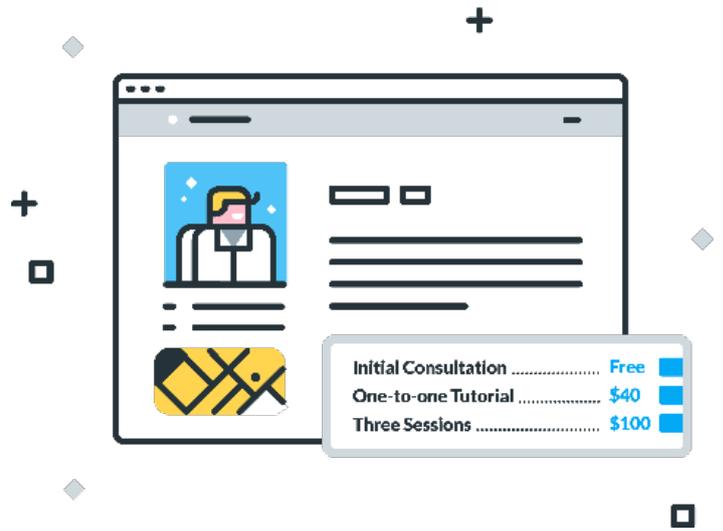

Appointedd has launched the world's first multi-timezone online booking tool, so even organizing viewings with clients overseas is simple as pie.

Business Management Suite

With Appointedd you can manage viewings, tenants, and staff anywhere, on any device. Details of tenants, buyers, and anyone who has made a booking to view a property are stored securely for ease of access.

Automatic Reminders

The automatic text and email confirmations and reminders improve service to buyers, tenants, and prospective tenants without taking any valuable time away from you. They also significantly reduce the number of no-shows.

Markus Brinsa
SEIKOURI, inc

"I can honestly say that using Appointedd has transformed the way the entire SEIKOURI team as well as our partners around the globe run their calendars."

Dr Caroline Whymark
Lose the Tattoo

"I am delighted that Appointedd delivers every promise it makes in the promotional materials, in particular providing timely help with the initial setup and ongoing support thereafter."

Craig McKie
CNJ Accounting

"Appointedd has made a big difference to how I organize my time. I love the sync with Google calendar, means that everything is in one place, clients love being able to choose a time that suits them and I can control my diary really easily."
