

BRe³ NATURALLY IMPROVES PLANT HORMONES

BRe³ is Our Proven, Patented “LIGHT ENERGY SCIENCE” that improves the performance of Plant Hormones that regulate the “Speed of Growth”

- ▶ Plant Hormones Regulate the “Speed of Growth” of the Plant’s Individual Parts and Integrate the Plant Parts to Develop the Plant’s Form.
- ▶ It is Critical to Understand the Importance of Plant Hormones like Auxin, Gibberellins, Cytokinin and others and How They Direct the Growth of Cannabis Plants .
- ▶ BRe³ Positively Stimulates the Synthesis and Actions of Natural Phytohormones in Plants. Man -made Plant Growth Regulators (PGR) can be Dangerous to a Plant if Misused or Overdosed.
- ▶ Used from Day 1, Improved Plant Hormone Performance should deliver the Strongest and Healthiest Plant at Harvest .
- ▶ BRe³ Naturally Destroys Fungi, Mildew and Bacteria .
- ▶ 5 Year Full Replacement Warranty .
- ▶ Grow the Healthiest Plants, Maximize Your Crop Potential .

The Wand Delivers Safe, Clean, Responsible, Natural Solutions for Cannabis
