## EFFORTLESS, CASUAL ELEGANCE

Contemporary Classic perfectly blends traditional beauty and high society trends. Stunning in its simplicity, this design combines modern neutrals and high-quality finishes to create a casual yet refined feel.

The Contemporary Classic home takes inspiration from summer homes in the Hamptons and French Provincial luxury. Breezy, bright spaces have two-toned cabinets, oak flooring, glass fixtures, and marble quartz that showcase quality craftsmanship and timeless beauty.

# KEY ELEMENTS

The Contemporary Classic home was thoughtfully crafted and curated. Classic elements like marble quartz counters and crown mouldings create a stylish look that will remain fresh for decades. Tone-on-tone cabinets, warm woods and plush carpet blend with chrome fixtures and clean lines to create an elegant and welcoming living space.

## THE DEMOCRATIZATION OF STYLE. ONE HOME AT A TIME.

Contemporary Classic is one of six carefully curated looks that have been designed by a team of experts who researched and sourced the perfect elements to create a look that reflects your tastes, personality, and lifestyle. Break free from the bondage of beige and find the style that truly reflects you.

No matter what style you choose, your price won't change.
