

Surface Treatments:

Sanitizers:

Oxine is registered by the EPA specifically for the sanitation of HVAC systems and ductwork. Apply Oxine with the use of a hand held fogger or other spray equipment. One 3.25 oz bottle makes one gallon and 1 case makes 12 gallons.

1-SU01 (1) case (12 -3.25 oz. bottles) Oxine..... \$ 120.00

EnviroCON is registered by the EPA and is highly effective deodorizer. Apply EnviroCON with the use of a hand held fogger or other spray equipment. The 1 gallon container is ready to use.

1-SU02 (1) gallon EnviroCON..... \$ 16.00

BBJ Mold Control - Concentrate is EPA registered for use within HVAC Systems. Apply BBJ Mold Control with the use of a hand held fogger or other spray equipment. The 15 oz container of concentrate makes 7.5 gallons.

1-SU05 (1) 15oz Mold Control Concentrate..... \$ 85.00

BBJ Mold Control - Aerosol is EPA registered for use within HVAC Systems. The 14 oz aerosol container is ready to use.

1-SU06 (1) 14oz Mold Control Aerosol..... \$ 15.00

BBJ Fresh Duct Odor Eliminator - Concentrate is formulated to eliminate foul odors on all types of surfaces (ductwork, insulation, furniture, draperies, carpet auto interiors etc.). Apply BBJ Fresh Duct with the use of a hand held fogger or other spray equipment. The 15 oz container of concentrate makes 5 gallons.

1-SU07 (1) 15oz Fresh Duct Concentrate..... \$ 33.00

Disinfectants:

Sporicidin disinfectants are EPA registered for mold remediation and air duct cleaning. Misting and fogging are recommended application methods. Sporicidin has an acute toxicity rating by the EPA of Category IV (very low toxicity). They are ready to use.

1-SU03 (1) gallon Sporicidin Disinfectant..... \$ 33.60

1-SU04 (1) case (12-22 oz. spray bottles) Sporicidin Disinfectant..... \$ 130.00

Degreaser:

Zepride is a fast acting general purpose cleaner and degreaser. It rapidly emulsifies oil and grease so it can be easily rinsed and wiped away. Zepride is design for use on metal and other surfaces. Great for a variety of air duct cleaning needs.

1-CA01 (1) gallon Zepride.....\$ 16.00

Coil Cleaner:

BBJ Power Clean Coil Cleaner Concentrate with Enviro-Gard is a non-caustic, non-corrosive heavy duty coil cleaner that safely cleans and deodorizes evaporator coils, condenser coils, heating coils, window units and other HVAC components without damaging metal surfaces. Apply with a pump-up sprayer or other spray equipment. The one gallon container of concentrate makes 4 gallons.

1-CA02 (1) gallon BBJ Power Clean Coil Cleaner Concentrate \$ 18.00

Application Tools:

ULV foggers are great tools for applying sanitizes, disinfectants and other products that can be fogged into the HVAC system ductwork. Be sure to follow the directions on the product label to insure adequate coverage and desired results.

The pump up sprayer is great for applying coil cleaner and degreaser quickly and easily.

1-CDT01 (1) ULV fogger (110 volt)..... \$ 310.00
 1-CDT02 (1) ULV fogger (220 volt).....\$ 475.00
 1-CDT03 (1) 1 gallon pump up sprayer.....\$ 25.00

For large commercial applications the following would be more productive:
 1-CSS03 Super Cart Basic System (spray 6" to 20" high).....\$1,010.00
 1-CSS06 Super Cart Spinning System (spray 20" to 36" high).....\$1,400.00
 1-CSS02 Super Cart Deluxe System (spray 6' to 36" high).....\$1,815.00
 1-ST04 Super Trac Robotic System (sprays 8" to 36" high).....\$6,900.00
