

Veloci-Vac Portable Gas Vacuum Collection System!

The Veloci-Vac delivers more power than electric portable units and more portability than trucks and trailer mounted units. With 18" w.c static pressure, this kind of performance will maximize your productivity and profits on every job. It's a great unit for all types of residential air duct cleaning, low rise commercial projects.

It features a powerful 20 hp motor with electric starter. Hour meter, tachometer, two semi pneumatic wheels and one lockable swivel caster, removable padded handle, and cloth collection bag are included. A full complement of flex hoses, reducers, hose connectors and starter collars are also available.

Specifications:
