

# Explore the Possibilities

*Discover uses and potentials you never thought possible*

## Explore...

Relyco is proud to have working relationships with all levels of the federal, state, and local government. All branches of the military currently use our tear-proof paper for manuals, signs and other mission-critical documents.

Relyco is a proud holder of a GSA contract: FSS contract GS-02F-0158N.

## The Possibilities...

Our government specialists can help you identify the right product for your budget, or create a custom product to meet your unique specification. State and local governments count on Relyco for the forms and equipment to process payments, notifications and registrations.

Learn about our impressive government offerings and how you can use them in your unique environment

**TriDura®**

Tolerant to Water, Tear-Resistant Paper

Great for brochures, maps, and other important pamphlets, TriDura offers some extra durability to keep your handouts looking fresh for longer.

**REVLAR® "Virtually Indestructible" Paper**

Waterproof, Durable, Tear-Proof Paper for Thousands of Applications

Outdoor signage, advertisements, important data logs and other labeling should be durable and weather-proof, and REVLAR is just that. Available in a variety of colors, flawlessly replace standard paper with REVLAR and be wowed by the results.

**REVLAR® Waterproof Durable Labels**

Low Tack Removable, Clean-Peel, Repositionable Labels and Permanent Durable Labels

Temporary or permanent REVLAR labelling solutions are great for directions to different locations, shipments, and durable labelling needs.

**ENDURA LABEL™**

Standard, Custom, or Integrated Labels for Unique Application Requirements

Use custom labels and brand items with ENDURA LABEL for a simple solution to bring your brand to the next level.

**DigiPOP® Packaging Solutions**

Personalize - Print - Lift - Fold & Go!

With hundreds of templates for different DigiPOP solutions, use these fun and exciting packages as giveaways, branded merchandise, or even just to boost spirits.

**ULTRASEAL® Self-Mailer Pressure Seal Forms**

Improve Efficiency and Reduce Waste by Eliminating the Envelope

Privacy and security are very important parts of maintaining records, so use ULTRASEAL self-mailers to send reports, bills and other professional documents.

**Blank Laser Checks**

High Security Check Stock

Despite paperless trends, checks are still a vital piece of day-to-day business in any organization. Relyco has you covered with a variety of different checks with varying levels of security and fraud protection.

**REIMAGE® Carbonless Paper**

Cost-Effective, Environmentally-Friendly Carbonless Paper

Use this simple form in your offices as an easy and effective way to track records and stay on the same page with employees and customers.

**Laser and Inkjet ID Cards**

Easy-to-Use ID and Membership Products

Use these versatile forms for wristbands, parking passes, employee ID cards and countless other uses.

**DURASEAL® Envelopes**

"The Best Performing Envelope Designed for Inkjet & Laser Printers!"

Brand these envelopes with a custom logo when mailing to make sure your direct mail pieces are eye-popping and attention grabbing.

**About Relyco:** For more than 25 years Relyco has been the premier supplier of unique and innovative paper products specifically designed for laser, digital and inkjet printers. Our products are great for thousands of applications and uses – enabling you to get the most value out of your printer investment. Understanding and meeting our clients' needs is always our first priority. Visit us at [www.relyco.com](http://www.relyco.com) or call (800) 777-7359.
