**9 Non Compliance with Procedure.** Where the Buying Member or the Selling Member do not comply with any part of the trade procedure set out in these Rules, the Trade shall be deemed to be valid unless the Manager refuses to process it or after it is processed, reverses, cancels or alters the entries in the Trade Accounts of the Members involved.

## **9 SPECIAL TRADE PROCEDURE**

**1 Special Trade Procedure.** A special procedure shall apply to Trades involving the sale or provision of goods or services in the form of special orders, construction jobs, provision of services over time or work-in-progress which must be paid for when work is completed or in stages and such other transactions as the Manager may from time to time determine. In this Rule, such a transaction is referred to as a Special Trade and the goods or services so sold or provided are referred to as a Special Job or Order.

**Procedure.** The special procedure applicable to a Special Trade is as follows:

- (a) **(Estimate of Cost)** Before authorising the Selling Member to commence the Special Job or Order, the Buying Member should obtain a written estimate from the Selling Member clearly stating the terms of trade and indicating that Trade Dollars are the accepted method of payment.
- (b) **(Deposit in Trade Dollars)** Before commencing the Special Job or Order, the Selling Member should, if appropriate, obtain a deposit or down payment in Trade Dollars. Payment of the deposit or down payment can be made by obtaining the Manager's authorisation. (The Manager may, in certain circumstances, provide transaction forms to facilitate Special Trades and part-payments).
- (c) **(Shortfall Payable in Cash)** The Selling Member should include in its contract a provision that if the Buying Member does not have sufficient Trade Dollars in its Trade Account when the Manager's authorisation is requested, then the difference will be paid by the Buying Member by way of cash payment to the Selling Member.
- (d) **(Special Authorisation)** In order to "reserve" an amount of Trade Dollars from the Buying Member's Trade Account until a particular Special Job or Order is completed, the Selling Member must forward to the Manager a written request, signed by the Selling Member and countersigned by the Buying Member, for "Special Authorisation" for the estimated amount less any deposits or down payments. If the Manager grants Special Authorisation, it shall give a Special Authorisation Number and the amount so authorised will then be frozen in

the Buying Member's Trade Account, which shall be treated by the Manager as if that amount had been debited from it.

- (e) **(When Complete)** When the Special Job has been completed or partially completed, both the Selling Member and Buying Member shall advise the Manager in writing so that the amount reserved by Special Authorisation can be processed. In the event of partial payment, the Special Authorisation shall be reduced by that amount.
- (f) **(Manager to Credit Selling Member)** Subject to these Rules, the Manager shall, upon receiving confirmation signed by the Selling Member and Buying Member, credit the Selling Member's Trade Account.

## 10. PROCESSING OF TRADE TRANSACTIONS

- 1 **Posting of Authorised Trade.** Where the Manager has granted its authorisation, the Manager shall, subject to these Rules, post the Trade to the Trade Accounts of the Selling Member and the Buying Member.
- 2 **Posting of Trade by Gift Certificate.** The Trade Account of a Selling Member receiving a Gift Certificate or Other Vouchers shall, subject to these Rules, be credited by the Manager for the amount of Trade Dollars specified in that Gift Certificate or Other Voucher.
- 3 **Where Manager Suspects Fraud etc.** The Manager shall not be obliged to process a Transaction, Gift Certificate or Other Voucher where it reasonably suspects fraud or misleading or deceptive conduct by any party to the Trade. The Manager shall not be obliged to process any individual transaction under such circumstances.
- 4 **Late Receipt by Manager.** The Manager may decline to process any Gift Certificate or Other Voucher, which is received later than fourteen days after the date of the Trade.
- 5 **Audit and Verification.** All Trades are subject to final audit and verification by the Manager and in the case of errors or inaccuracies, the Manager may at its sole discretion debit or credit a Member's Trade Account so as to correct any error without giving notice to the Member whose Trade Account is affected.

## 11. TRADE CONDUCT

- 1 **100% BBX.** All Trades are to be conducted on a one hundred percent (100%) BBX basis unless the Selling Member has, before entering the Trade, obtained the consent of the Manager to trade in cash or partly in cash and partly by way of Trade, which consent may be withheld at the sole discretion of the Manager.
- 2 **Refusal to Trade.** Where a Member has been requested to enter into a Trade with a Member in Good Standing and the first Member declines to enter into that Trade, but would have entered into a transaction if the second Member was willing to pay cash, then the first Member will be deemed to have breached these Rules unless an Authorisation Number has been sought and refused or the Member is on Standby in accordance with Rule 11.3.
- 3 **Standby.**
  - (a) **(Pre-requisite Conditions)** Where the credit balance of the Trade Account of a Member exceeds \$50,000 Trade Dollars that Member may give notice to the Manager, in writing, of its intention to temporarily suspend its participation as a Selling Member in the Trading Program ("on Standby").
  - (b) **(Expiry of Notice Period)** Upon the giving of such notice the Member will be deemed to be on Standby and shall be entitled to refuse to Trade notwithstanding Rule 11.2.
  - (c) **(Reverting to Normal)** As soon as the credit balance of the Member's Trade Account decreases below the amount referred to in Rule 11.3(a), the Member shall be deemed to no longer be on Standby.
- 4 **Taxes.** All tax or duty applicable on the Trade shall be paid in Trade Dollars (including any GST or other consumption

tax) at the point of purchase by the Buying Member, or as otherwise required by law.

- 5 Direct Trade.** This Rule **11.5** shall apply to transactions between two or more Members, which is conducted otherwise than in accordance with the provisions of these Rules:

- (a) Members acknowledge and agree that all transactions taking place between them arise as a consequence of their being introduced to one another as a result of their membership of the Trading Program.
- (b) In the event that a Member engages in Direct Trade with another Member then each Member involved in that Direct Trade shall pay a transaction fee equal to the Transaction Fee of the value of that Trade which shall fall due and payable to the Manager upon completion of that Direct Trade.
- (c) The provisions of Rule **11.5(b)** shall not apply where the Manager, in its absolute discretion, is satisfied that the Members entered into Direct Trade for legitimate reasons other than the avoidance of paying Transaction/Service Fees.
- (d) Without derogating from the other provisions of this Rule, the Manager may suspend or terminate the right of a Member to participate in the Trading Program, if the Manager considers that the Member has entered into a Direct Trade in contravention of the spirit of these Rules.

Where the Direct Trade involves both cash and Trade Dollars, the Manager may, at its discretion, charge fees on both the cash and Trade Dollar portions.

- 6 Overpricing.**

- (a) A Member shall not charge more for any goods or services in Trade Dollars than it would have charged if the Trade was a cash transaction, provided that a Member shall not be obliged to give to a Buying Member any discount in price that would have been applicable in the case of a cash sale. The practice of charging Trade Dollar prices in breach of this Rule is referred to as "Overpricing".
- (b) The Manager may investigate or inquire into complaints of Overpricing by a Member and close the account of any member found to be engaged in overpricing.

## **12. MANAGER TRADES**

- 1 Manager Trades.** The Manager may participate in the Trading Program as if it were a Member and the Manager may debit or credit the Manager's Trade Account as the case may be and correspondingly credit or debit the Trade Account of the other Member participating in the Trade.
- 2 Warranty as to Title.** Where the Manager participates in the Trading Program as a Selling Member, the Manager warrants to the Buying Member that the Manager has title to the goods to be traded free from any charge, lien or encumbrance.
- 3 "As is where is".** Such goods are sold on an "as is where is" basis and the Buying Member shall acquire those goods on the understanding that the goods are manufactured or produced by someone else and not the Manager.
- 4 No Warranty as to Fitness for Purpose** The Manager makes no warranty, whether express or implied by operation of law or otherwise, as to the merchantability, fitness for purpose or otherwise of those goods.
- 5 Benefit of Warranty.** A Member shall look solely to the manufacturer, distributor or retailer of any such goods to obtain the benefit of any warranty that may apply.

attaching to the goods is lawfully capable of assignment.

- (a) Title to goods traded between the Manager and the Buying Member shall remain with and vest in the Manager at all times until:
  - (i) the full purchase price has been discharged by a credit entry in the Trade Account of the Buying Member; and the older debit if any created prior to the purchase is discharged first.
  - (ii) in the event that such a debit entry results in the Trade Account of the Buying Member having a debit balance, that debit balance has been discharged either by payment from the Buying Member to the Manager, or by credits subsequently made to the Buying Member's Trade Account as a result of transactions carried out in accordance with these Rules.
- (b) Whilst title to goods traded between the Manager and the Buying Member remains with and is vested in the Manager, the Manager may re-take possession of such goods (or any part thereof) unless, within thirty days after the completion of the transaction (for which purpose the date on which the transaction is entered in the Buying Member's Trade Account shall be conclusive evidence of the date of the transaction), title to the goods has transferred to and become vested in the Buying Member in accordance with the provisions of Rule **12.7(a)**.
- (c) For the purposes of Rule **12.7(b)**, the Manager is hereby irrevocably authorised by the Buying Member to do all or any of the following things in re-taking or attempting to re-take possession of the goods (or any part thereof) and may exercise any of the following powers through any of the Manager's directors, officers, servants, agents or sub-contractors:
  - (i) to enter upon any land, buildings or property owned, leased or occupied by the Buying Member;
