# FROM CONSTRUCTION TO MAINTENANCE

**NOW** that your tropical paradise has been actualized it's time to enjoy your pool and/or spa.

The same team you trusted to build your pool is also ready to take on maintaining your outdoor oasis with a top of the line maintenance and repair program customized for every project we take on.

**IT'S IMPORTANT** that you continue to invest in the upkeep of your new installation. We highly recommend you consider these important reasons to use Reef Tropical for your ongoing pool needs

## COMMUNICATION IS KEY

The point of contacts from both divisions already communicate seamlessly with one another.

## SERVICING WARRANTIES MADE EASY

With the same team on board, there's no back and forth between construction company and new maintenance team in servicing your pool's warranties.

## WE BUILT IT, WE'LL MAINTAIN IT BEST

Reef Tropical knows the ins and outs of the pool aesthetically and mechanically making us better equipped to maintain your pool for its life cycle.

## POOL FAMILIARITY

our maintenance team has already had a hand in the layout of equipment and functionality from initial consultation by reviewing engineered drawings.

## CPO CERTIFIED

All our cleaners and mechanics are CPO certified.

## NO BLAME GAME

Shifting from a partnership with our construction team to our pool maintenance experts assures you that we will assume responsibility for any complications that may arise.

## SMOOTH TRANSFER

Client satisfaction is key and we maintain that standard by not interrupting the servicing of your pool.

## ADDED VALUE

Reef Tropical is family owned and operated and has been in the business for two decades. Our team members drive professional vehicles, wear uniforms and go through thorough background checks.

Our mission statement says  
**“We maintain what we install.”**

Let us show you what we can do.
