

# IFI-6: EXTREME CUT

*Proudly Manufactured in the USA*

## IFI-6: EXTREME CUT

The IFI-6 Extreme Cut is the strongest chain link fence system on the market. With its 6-gauge, 5/8" mini weave face and terminal pole wrap-around, this security solution eliminates all exposed bracing and makes it nearly impossible to climb and/ or cut. A flexible, high-quality, cost effective solution to traditional chain link security.

## FEATURES

- Strongest chain-link security fence solution on the market
- 6-gauge 5/8" mini weave
- Made and manufactured in the USA
- No exposed bracing
- Cost effective
- Galvanized
- Corrosion resistance
- Highest IKE Certification for Chain Link Fence

## IKE Certification (Corner Breach)

### DESCRIPTION:

One-person cutting through the 6-gauge 5/8" weave chain fence wrapped around a corner post. The attacker cut down a vertical line, manually removing enough material to eventually allow a successful breach.

## FEATURED INDUSTRIES

- Airports
- Energy & Utilities
- Data centers
- Military and defense
- Embassies
- Oil & gas
- Correctional centers

### RESULTS:

Successful  
Breach time: 6 min. 27 sec.
