

Payor Enrollment Services

Fast, efficient enrollment of your providers

Medical providers and healthcare organizations face daily challenges to remaining viable while continuing to provide excellent patient care. A significant part of assuring financial viability includes ensuring that reimbursements are obtained from payors as quickly as possible. The timely enrollment of providers into health plans has become a crucial requirement of sustaining a thriving practice.

symplr's payor enrollment services can help you reduce the paperwork burden, streamline your provider onboarding process and enhance the profitability of your healthcare organization.

Save time and resources

Our enrollment consultants possess the knowledge and contacts to get applications processed quickly, without the need to dedicate your time and office staff to managing the process.

Error-free efficiency

The accurate completion and submission of applications results in shorter processing times.

Faster reimbursements

Our highly trained consultants follow an optimized and proven workflow process that speeds the time to reimbursement.

Reduce operating costs

With experienced consultants managing the process, you and your staff can focus on administrative tasks, business growth and providing excellent patient care.

Current expertise

Our consultants stay up to date on the latest changes affecting enrollment on both the federal and state levels and can expediently guide applications to a successful enrollment.

Proactive status reporting

Our consultants constantly monitor the process and keep you updated on the exact day a provider becomes effective, allowing you to immediately start submitting claims.

We Can Help You With:

- ✓ Initial enrollment
- ✓ Re-credentialing
- ✓ Relocation
- ✓ Acquisitions
- ✓ Consulting services
- ✓ Rural healthcare enrollment
- ✓ Customized services for all provider types and disciplines
