SEE THE POSSIBILITIES

Virtual Annual Campaign Kickoff
Tuesday, March 31, 2020

Friends of the Y,

In an effort to best protect our community, the Treasure Valley Family YMCA has made the decision to host our 2020 Annual Campaign Kickoff in a **VIRTUAL FORMAT**.

As we navigate these uncertain times, many in the Treasure Valley will turn to the Y for support. When our youth return to their classrooms, our families return to their routines, and our businesses return to full operation, we need to be equipped to provide for those who need access to the services we provide. Without our campaigners and donors, our capacity to provide critical assistance to youth and families throughout 2020 and beyond will be significantly limited.

Please join us for our Virtual Annual Campaign Kickoff on March 31, 2020. Register below!

Option 1 - March 31, 2020 9:30am

Option 2 - March 31, 2020 5:30pm

After registering, you will receive a confirmation email containing information about joining the webinar.

Now more than ever, the Y needs your support. Join us in fulfilling our promise to this community and commit to raising needed funds for the Y so that we can serve those who need us most.

What is Annual Campaign?

The Treasure Valley Family YMCA's Annual Campaign is a yearly fundraising effort that supports the Y's Financial Assistance program. This program ensures that all youth, adults, and families can participate in Y membership and programs, regardless of their ability to pay. The campaign is run primarily by community volunteers.

The Y is committed to strengthening communities. Every day, we work side by side with our neighbors to make sure that everyone, regardless of age, income, or background, has the opportunity to have the Y experience. Our [Financial Assistance](#) program makes this possible.
