So many of you have stepped forward to ask how you can support our students

So many of you have stepped forward to ask now you can support our students and families during this unprecedented time of challenge. In the coming weeks, our staff will be delivering much-needed supplies to these families, and you can help make this possible!

You can safely and meaningfully make a difference by donating to our emergency supplies fund. Will you join us in supporting our neighbors who are severely impacted by this chaotic time? Any amount helps provide families with necessities including toilet paper, soap, canned goods, and diapers.

Click the button below or visit ColoradoUpLift.org/LoveOurNeighbors to donate and support our neighbors in need!
