## Advantages of Home Care

- One on one caregiving focused on you or your loved one!
- Keep the pets you love.
- More space for your personal items—it's your home.
- Lower cost.
- Focus activities on what you enjoy doing.
- Your food selection is based on what you like—not what someone else wants to cook.
- Your schedule is based on your needs—not your neighbors.
- Generally speaking your own home is a quieter sleeping environment.
- Care Management available to help you stay healthy at home and out of the hospital.
- Optional senior friendly internet tools available.
- We help coordinate many of the services you use at your home. (Electricians/Plumbers/Handyman/etc.)
