

An aerial, high-angle photograph of a modern office space. The office is characterized by a large, multi-paned glass ceiling that allows natural light to filter through. The floor is a light, neutral color. Numerous people are seen working at their desks, which are arranged in a grid-like pattern. Each desk is equipped with a computer monitor and other office supplies. The overall atmosphere is professional and collaborative. The image is overlaid with a semi-transparent teal color, and the text 'Astra Share' is prominently displayed in the center.
