

The Ryman Difference for Nurses

Great pay

Competitive with MECA/DHB base rates and will continue to review each year

Additional leave

After two years at Ryman you will receive an annual wellness day, and in year three, up to four extra sick days. In year ten, you will receive one week extra leave and the same applies every five years after that

Build your career

We are successful and growing, promote from within, have a comprehensive development programme and a management team dedicated to your success

Extensive education

Ryman NETP, RN journal clubs, scholarships and bursaries available as well as paid training throughout the year

Market leading benefits

Access to reimbursement for registrations, our share scheme, free parking and uniforms and everyday discounts through Ryman Team Benefits

More time to nurse in world class facilities

Fixed rosters, shifts to suit you and innovative technology like myRyman. Resort style facilities that have been custom built

At Ryman it's all about people!
