Homesteaders has an unwavering commitment to the success of our funeral home customers. As a demonstration of that commitment, we provide top-quality continuing education for funeral directors and insurance agents. Homesteaders' continuing education is approved for CE credit and is designed to help develop the skills of funeral service professionals across the country.

# Promoting the Value of Funeral Service

Funeral service and insurance professionals across the country rely on Homesteaders for the best and most up-to-date information about ethics, pre-need insurance and other related topics. Here are just a few things attendees have said about these informative and engaging classes:

*"The instructor has a true passion for this material and it shows in his presentation."*

*"The material was easy to follow and well-prepared."*

*"The instructor makes what could be a tedious topic light and interesting!"*

*"I was impressed by the quality of the material and design and layout of the presentation."*

*"The instructor was very knowledgeable."*
