

GETTING YOUR DUCKS IN A ROW: DOCUMENTS ADULTS NEED

While we firmly believe life is meant to be lived, we also know that it's important to have peace of mind in the event of an emergency. We've put together a detailed checklist to help you organize your life.

Top 4 Important Documents Adults need but don't have:

aka: Last Will & Testament

A will essentially states: when I die, here's what I want to happen.

A Living Will

aka: an advance directive

In this document, you'll declare your wishes for end-of-life care.

Durable Health Care Power of Attorney

aka: a health care proxy

In the event that you can't make your own health care decisions, you need to have someone you trust like a family member or friend.
