The benefits of a prepared environment in the home and in the classroom.

Classes are free of charge, however registration is required through <https://my.montessori.cw/classes>. All classes are held at The Montessori School at Kinikiniweg 2. For more information send us an e-mail at [discover@montessori.cw](mailto:discover@montessori.cw).

## May

### MONTESSORI CURRICULUM: PRACTICAL LIFE

**Thursday, 2nd of May 6pm - 7 pm**

The practical life activities are the basis of a Montessori education. The child learns essential life skills and forms the much needed foundation for subsequent academic learning.

### MONTESSORI CURRICULUM: SENSORIAL

**Wednesday, 8th of May 6pm - 7 pm**

The young child is a sensorial learner and the Montessori curriculum provides plenty of opportunity for the child to refine all his or her senses.

### MONTESSORI CURRICULUM: LANGUAGE

**Wednesday, 15th of May 6pm - 7 pm**

Language is not only important for self-expression and communication, but it also is an essential vehicle for learning a new culture. In the Montessori environment there is a logical sequence and proven methods to teach vocabulary, writing and reading.

### MONTESSORI CURRICULUM: MATHS

**Wednesday, 22nd of May 6pm - 7 pm**

Traditionally learning mathematical concepts involves a lot of learning by heart and later in childhood. In a Montessori environment the child learns advanced mathematical concepts through manipulating objects.

### MONTESSORI CURRICULUM: CULTURE

**Wednesday, 29th of May 6pm - 7 pm**

This area of the curriculum involves learning about the child's own culture and other cultures, about botany, zoology and so much more.

## June

### MONTESSORI AT HOME (0 - 3 YEARS)

**Wednesday, 5th of June 6pm - 7 pm**

Learn how to adapt your home to welcome your newborn and accommodate your toddler.

### MONTESSORI AT HOME (3 - 6 YEARS)

**Wednesday, 12th of June 6pm - 7 pm**

Learn how to adapt your home to grow with your primary aged child and aid his or her learning.
