

Hotel Cleaning Procedures

Hotel	New Procedures and Protocols
Best Western	<ul style="list-style-type: none"> Minimize guest contact with personnel through a streamlined check-in and check-out process by using their mobile concierge platform. Enhanced sanitization procedures will be in place at the front desk, lobby and across guest touch points. Decorative pillows, paper notepads and pens will be removed from guest rooms. Guest rooms will not be entered for 24 to 72 hours after check-out, at which time the room, linens and all touch points will be cleaned with chemicals aimed at killing COVID-19. Enhanced 'Grab & Go' will be available in most hotels providing guests with pre-packaged food and beverage options. Fitness centers, swimming pools and meeting rooms will be cleaned on monitored scheduled with disinfecting chemicals. At night, these areas may also be sanitized with the use of electrostatic fogging, ozone generators or ultraviolet devices. <p>Click here for more information</p>
Choice Hotels	<ul style="list-style-type: none"> Most on-property food and beverage service are focused on pre-package offerings Activated response teams to provide around-the-clock guidance and support to their hotels. <p>Click here for more information</p>
