

Spring Cleaning Checklist

Closets

STEP 1:

Take everything out of your closet and create piles. Create a pile for winter wear, another for items you will keep and one for donating.

STEP 2:

Take the pile of winter wear you want to keep and place them in boxes. Be sure to label these boxes "Winter Clothes".

STEP 3:

Clothes in the donation pile can be tossed into the trash bags and taken to your local clothes donation site.

STEP 4:

Take out your summer clothes and hang them up in your closet. **Pro tip: Color coordinate your clothing so you can find your articles of clothing much faster!**

Kitchen

STEP 1:

Remove all items from your cupboards, drawers, and cabinets and lay everything out on the counter and kitchen table.

STEP 2:

Pack up any holiday related items such as bake ware and table décor. Place in box and label it "Holiday Kitchenware".

STEP 3:

Bring out the grilling supplies and spring kitchen décor!

STEP 4:

Thoroughly clean the counter tops and mop the floors.

Garage

STEP 1:

Take your winter tools out of the garage and store in its own box. Label box "Garage Winter Tools".

STEP 2:

Throw out any broken tools, old sports gear, or damaged goods.

STEP 3:

Sweep garage floor of any debris and dust off shelves.

STEP 4:

With your left over items, organize them by categories and place in designated places. This will make it easier to find your things later on!

Bedrooms

STEP 1:

Go through dresser drawers and take out any clothes out that are winter related (long sleeves, sweatshirts, etc). Place items in boxes and label "Winter Clothes".

STEP 2:

Strip your bed of any heavy winter blankets and sheets and store in boxes. Label boxes "Winter Bedding".

STEP 3:

Clean and rotate your mattress. Replace bedding with fresh and breathable linens.

STEP 4:

Dust off all furniture and clean the floors. **Did you know that cleaning your carpets will improve your air quality?**

Store your things with **CALLBOX** STORAGE
