You will have the opportunity to explore one of DC's popular areas through a one-of-a-kind, Capitol Hill Food Tour. The food tour will bring together progressive, high end cuisine, with long standing DC institutions. From restaurants and shops running before prohibition, to swanky hotspots, this food tour brings together some of the best this area has to offer.

First Stop: Eastern Market

Part of a citywide market system, Eastern Market was built in order to provide a convenient supply of goods to Capitol Hill residents. It acted as an anchor to the Capitol Hill neighborhood; its presence helped to both retain and attract neighborhood residents. Eastern Market has been the center of life within Capitol Hill for over 200 years. Here, you will taste their specialties that include a variety of local products produced within the Washington DC area.

Second Stop: Cava Mezze

Cava Mezze is a contemporary, stylish, family run restaurant that pays homage to the owners' Greek roots, while embracing elements of Mid-Atlantic cuisine. Their dishes are prepared with locally sourced ingredients with a heavy reliance on traditional Greek seasoning. *Washingtonian Magazine* recently voted the restaurant as one of the region's top 100 restaurants.

Third Stop: District Donut

For the final stop, you will walk across Pennsylvania Avenue toward Barrack's Row for a tour of the area while stopping at well renowned bakery. District Donut is the District's favorite donut shop that features a wide variety of colors and flavors.

Invitation for In-House Corporate Counsel First-Time Attendees

AIPLA has a special offer to encourage in-house corporate counsel to attend an AIPLA major meeting to see first-hand the outstanding CLE programs we provide.

For individuals who have never attended an AIPLA stated meeting, such as an Annual, Mid-Winter or Spring Meeting, who are also corporate in-house counsel, AIPLA will waive the registration fee. Tickets to the events are not included in this registration. You will need to pay for those events separately. This waiver of fees is available for one stated meeting only.

To take advantage of this one-time offer, simply complete the registration form and fax it to us at (703) 412-1304. Once AIPLA has verified that this is your first major meeting and that you meet the in-house corporate counsel criteria, you will receive a registration confirmation. Our hope is that you enjoy your experience at your first AIPLA meeting and that you will join us again for future programs and become more actively involved with the work of the Association, especially through involvement with the Committees.

If you qualify for this special offer, please select the box listed as "first-time corporate in-house counsel" on the registration form.

AIPPI-US growth at record pace

The 2017 Congress will be in Sydney, Australia

The AIPPI 2017 Congress promises to be an unforgettable event that will bring together delegates from all over the world to beautiful Sydney, Australia.

The Congress will begin on October 13, 2017, and conclude on October 17.

As usual, a number of excursions and adventures are being planned in and around the Congress. These excursions tentatively include whale watching, wildlife discovery, Sydney city sights, and even an Aboriginal heritage tour.

Join us in Sydney!

With membership topping 600 for the first time, the AIPPI-US division of AIPLA is set to make its largest impact yet at the 2016 Annual Congress in Milan, Italy

AIPPI is one of just two long-established global intellectual property associations and has major visibility and influence in the global IP community.

As a result, AIPLA members have the opportunity to join the AIPPI-US Division of AIPLA and make even more of a difference in international IP law.

Why Join the AIPPI-US Division of AIPLA?

AIPPI brings together leaders from many national groups on a level playing field, providing unique opportunities to learn about IP law in other countries. One of the important benefits of membership in the AIPPI-US Division of AIPLA is the chance to meet and get to know top US and international IP lawyers and learn about US intellectual property law in an international context.

AIPPI at Work

AIPPI Resolutions can and do provide support for international and national lawmakers, advocates and decision-makers engaged in the work of advancing the development of IP treaties and laws and in applying such authority to determine the rights of parties. WIPO and the "IP5," as well as other regional and national patent or intellectual property offices, legislatures and courts, are among the important organizations and institutions to receive such input from AIPPI.

Having over 600 members gives the United States group a total of 14 delegates to the World Congress. Our influence is bigger than ever and continues to grow as more AIPLA members join us. — Philip Swain, AIPPI-US Chair

Annual meeting

The AIPPI-US Annual Meeting will take place during the AIPLA Annual Meeting on Friday, from 4:30 to 5:30 PM. All members are invited to attend, and those who are interested in joining AIPPI-US are also invited.

Reception

Following the Annual Meeting, we will hold a joint reception with all AIPLA International Practice Committees. This international reception will go from 5:30 to 6:30 pm at the same location.

Join AIPPI-US

AIPPI-US is the fast-growing, internationally focused division of AIPLA.

AIPPI is the international organization of business firms, executives, lawyers, educators, patent and trademark agents, and people like YOU!
