

Raise Six Figures in Six Minutes by sending one email.

Yes, it's true. Rocket Dollar empowers you to educate and empower your current and future investors to invest in your offering via their SDIRA or Self-Directed Solo 401(k). You will raise **More Money Faster!**

CHECK

Hi Harry,

Did you know you can use your retirement dollars to invest in Check?

Yes, it's true. You can use your retirement funds to open a [Self-Directed IRA \(SDIRA\)](#) account with [Rocket Dollar](#) to invest in Check. You will maintain all benefits of a typical retirement account, and if you are self-employed you may qualify for the [Self-Directed Solo 401\(k\)](#), which offers tax deferred contributions [up to \\$56,000/year](#).

Rocket Dollar makes it quick and easy to [signup online](#), backed by the [simple and transparent price](#) of \$15 per month (regardless of the amount of assets or number of transactions) and a one-time set-up of \$360. Don't forget to enter referral code **CHECK19** to take advantage of **\$100 off**.

Ex: Check App's monthly investor email.

Is it really this easy?

Yes. Rocket Dollar will create a customized paragraph that you may copy/paste into your next email, monthly newsletter, social media, and/or website.

Is it really free?

Yes. Rocket Dollar's in-kind partner offerings are free to anybody raising money (e.g. deal sponsors, syndicates, sidecar funds, angel networks, entrepreneurs, et al).

What our current partners are saying.

“ Rocket Dollar helps your investors unlock their old 401(k)s and IRAs to tap as a new source of capital. Investors welcome this knowledge, as they diversify their portfolio.

Matt Silk | CEO
TWM Capital

“ We raise up to 25% of funds on every deal from Self-Directed retirement accounts. A single email can help me close my round weeks ahead of schedule.

John Manes | CEO
Pinnacle Storage Properties
