POWR TICKET

4 Specific POWR-Ticket Courses

Improve Electrical Safety with Current-Limiting Fuses (FC103F)
Fuse Selling Opportunities in the Construction Market (FC104F)
Increase Safety with MROplus Program (SC104F)
XPress-Ship™ Program for LPS POWR-Switch (SC203F)
www.littelfuseuniversity.com

Material Reduction Opportunity Program

The Littelfuse® exclusive MROplus program has been helping our customers lower costs, increase plant safety, decrease downtime and reduce inventory for over 15 years. Our Tech Center will analyze your fuse inventory and within 24 hours generate detailed reports that will ensure you are using the best circuit protection available. All you have to do is supply a list of your current fuse inventory and the MROplus program will do the rest. Best of all... it is absolutely FREE! techline@littelfuse.com or 800-TEC-FUSE

PRE-ENGINEERED SOLUTIONS

Coordination Panel (LCP)

Elevator Switch (LPS)
XPress-Ship™ Program Available

Pre-Engineered Solutions include custom-built electrical panels designed specifically to meet NEC® requirements, as well as fused and non-fused disconnect switches. This drop-in solution is perfect for customers to quickly and easily comply with codes and standards.
