

Cloud Connect®

Connect to data anytime, anywhere, on any device

Controlled water measurement process at any time, from any place, on any device.
The solution is Kuntze Cloud Connect® service.

Values

- > Optimized asset utilization
- > Increased productivity
- > Reduced maintenance costs
- > Simple usability and precise control

Data utilization

- > View dashboards from the office, at home or on the road
- > Centralized data consumption
- > Discover insights into your measurements
- > Make data driven decisions
- > High availability and scalability

Cloud Connect® captures all relevant aspects of Kuntze systems

- > Measurements and availability of your system
- > Events, such as calibrations and relay activations
- > Alarms, such as no water
- > Settings
