The information contained in this document does not constitute medical advice as each individual circumstance is different. Aetna arranges for the provision of health care services. However, Aetna itself is not a provider of health care services, and therefore, cannot guarantee any results or outcomes. Information supplied by Healthwise Knowledgebase is for informational purposes only, is not medical advice and is not intended to be a substitute for proper medical care provided by a physician. Aetna does not recommend the self-management of health problems, nor do we promote any particular form of medical treatment. While only your doctor can diagnose, prescribe or give medical advice, the Informed Health nurses can provide information on more than 5,000 health topics. Contact your doctor first with any questions or concerns regarding your health care needs. Not all topics discussed within the audio health service are covered expenses under your health benefits and insurance plan.
