

## Think about the future ... today

### Life Insurance

There's nothing in the world like having peace of mind. That safe feeling inside that should anything ever happen to you while you're on assignment — accident or otherwise — your family will be OK.

Your Aetna coverage strives to deliver — with a fresh approach to life insurance benefits that helps give you that sense of serenity.

In the event that you aren't around to protect your family, your life insurance coverage can help by providing financial resources so your loved ones can protect the home, pay outstanding bills and more.
