

LifeMap Critical Illness - Max

For TBS

Taking time out for your health should be the only thing on your mind when you're sick. And with Critical Illness Coverage, that's all you'll have to think about. The policy pays a one-time benefit for covered critical illnesses so you can focus on healing.

How the Plan Works

- Eligibility Requirement**

If you meet the insurance benefit eligibility criteria as established by your employer, you may purchase coverage for yourself and any eligible dependents.

- Helps Pay the Bills When Life Gets Complicated**

Critical Illness Coverage alleviates the pressures of difficult times with a cash infusion that helps cover your expenses and the potential lost income of loved ones who take time off to care for you.

- Guarantee Issue**

Enrolling today in Critical Illness Insurance with LifeMap provides you a safety net for your family's future. The Guarantee Issue for this plan is \$15,000 for employees and their spouse with the option for higher coverage with Evidence of Insurability.
