

MAKING AN IMPACT

PROTECTING LIVES

FIVE REASONS TO CONSIDER PROTECTING YOUR INCOME

Personal Disability Insurance allows people to not only continue fostering your children's quality education and put three well balanced meals on the table, but to continue living in the manner to which you have become accustomed. It took you years of training, education and commitment to get where you are. Now you have a lifestyle and a financial future to protect if you become too sick or hurt to work.

- 1) You rely on your income.** It makes paying for your house, car and other important assets possible. You insure those assets – why not your income?
- 2) It provides a constant income stream.** Individual Disability Income insurance pays you a monthly benefit that works much like a paycheck, if you can no longer work in **your** occupation when a disabling illness or injury occurs.
- 3) You can customize coverage.** With our customizable options and features, you can be confident that your coverage can meet your unique needs.
- 4) Your policy is yours.** Even if you change jobs or employers in the future, your policy goes with you wherever you go.
- 5) The cost? It's usually just 1-3 % of your income.** That's less than some of us pay for a daily cup of premium coffee.
