**Crow Point Small Cap Growth Strategy** strives to outperform the Russell 2000 Small Cap Growth index. The Russell 2000® Growth Index measures the performance of those Russell 2000 companies with higher price-to-book ratios and higher forecasted growth values. Indices are unmanaged. It is not possible to invest directly in an index. Gross performance results do not reflect the deduction of investment management fees, and are net of commissions and withholding tax. The standard fixed management fee is 0.90% for the first \$25 million of assets under management, 0.85% on the next \$25 million, and 0.80% on the balance. A complete list and description of the firm's composites and additional information regarding policies for calculating and reporting returns are available upon request.

The Small Cap Growth composite inception date was 7/1/2014. Cold Creek was approved as a registered Investment Advisor in Massachusetts on April 4, 2014. The Small Cap Growth composite includes all fully discretionary taxable and tax-exempt managed in the Small Cap Growth strategy. New accounts are generally eligible for inclusion in the composite at the beginning of the first full calendar month under management and are removed from the composite at the end of their last full month under management.

Cold Creek Capital, Inc. claims compliance with the Global Investment Performance Standards (GIPS®) and has prepared this report in compliance with the GIPS standards. Cold Creek Capital, Inc. has not been independently verified. Past performance is not a guarantee of future results. Returns are presented net of management fees and include the reinvestment of all income. All returns are expressed in U.S. dollars
