ALL ACTIONS.	:	DISSEMINATION, PUBLICATION, AND
	:	REQUESTS FOR EXCLUSION RECEIVED

I, CAROLE K. SYLVESTER, declare:

1. I am employed as the Director of Notice by Gilardi & Co. LLC (“Gilardi”), located at 3301 Kerner Blvd., San Rafael, California. The Court’s Order Preliminarily Approving Settlement and Providing for Notice, dated July 31, 2017 (Dkt. No. 156) (the “Notice Order”), appointed Gilardi to serve as the Claims Administrator in connection with the proposed settlement of the above-captioned litigation (the “Litigation”). I oversaw the notice services that Gilardi provided in accordance with the Notice Order.

2. I submit this declaration in order to provide the Court and the parties to the Litigation with information regarding: (i) mailing of the Court-approved Notice of Pendency and of Proposed Class Action Settlement and Motion for Attorneys’ Fees and Expenses (the “Notice”) and the Proof of Claim and Release (the “Proof of Claim”) (collectively, the “Notice Package”), (ii) posting of those and other documents on the website created for and dedicated to the Litigation, (iii) publication of the Summary Notice, and (iv) the number of requests for exclusion from the Class received by Gilardi to date.

3. I am over 21 years of age and am not a party to this Litigation. I have personal knowledge of the facts set forth herein and, if called as a witness, could and would testify competently thereto.

DISSEMINATION OF THE NOTICE PACKAGE

4. Pursuant to the Notice Order, Gilardi is responsible for disseminating the Notice Package to potential Class Members. By definition, Class Members are all purchasers of publicly traded Genworth Financial, Inc. (“Genworth”) common stock during the period from November 3, 2011 through April 17, 2012, inclusive, who were allegedly damaged by the conduct at issue in the Litigation. True and correct copies of the Notice and Proof of Claim are attached hereto as Exhibits A and B, respectively.

5. Gilardi obtained from the transfer agent for Genworth a list containing the names and addresses of potential Class Members. The list was reviewed to identify and eliminate duplicate entries and incomplete data, resulting in a usable mailing list of 304 unique names and addresses. Gilardi had the unique name and address data printed on to Notice Packages, posted the Notice Packages for First-Class Mail prepaid, and delivered 304 Notice Packages on August 14, 2017, to the United States Post Office located in Santa Rosa, California.

6. In addition, on August 14, 2017, as part of its normal mailing procedures, Gilardi mailed, by First-Class Mail, Notice Packages and cover letters to 278 brokerages, custodial banks, and other institutions (“Nominal Holders”) that hold securities in “street name” as nominees for the benefit of their customers who are the beneficial owners of the securities. The Nominal Holders also include a group of filers/institutions who have requested notification of every securities case. These Nominal Holders are included in a proprietary database created and maintained by Gilardi. In Gilardi’s experience, the Nominal Holders included in this proprietary database represent a significant majority of the beneficial holders of securities. The cover letter accompanying the Notice Packages advised the Nominal Holders of the proposed settlement and requested their cooperation in forwarding the Notice Packages to potential Class Members. In the over 25 years that Gilardi has been providing notice and claim administration services in securities class actions, Gilardi has found the majority of potential class members hold their securities in street name and are notified through the Nominal Holders. Gilardi also mailed Notice Packages and cover letters to the 4,664 institutions included on the U.S. Securities and Exchange Commission’s (“SEC”) list of active brokers and dealers at the time of mailing. A sample of the cover letter mailed to Nominal Holders and the institutions included on the SEC’s list of active brokers and dealers is attached hereto as Exhibit C.

7. On August 14, 2017, Gilardi also delivered electronic copies of the Notice Package to 406 registered electronic filers who are qualified to submit electronic claims. These filers are primarily institutions and third-party filers who typically file numerous claims on behalf of beneficial owners for whom they act as trustees or fiduciaries.

8. As part of the notice program for this settlement, Gilardi also caused the Notice Package to be published by the Depository Trust Company (“DTC”) on the DTC Legal Notice System (“LENS”). LENS enables the participating bank and broker nominees to review the Notice Package and contact Gilardi for copies of the Notice Package for their beneficial holders.

9. Gilardi has acted as a repository for shareholder and nominee inquiries and communications received in this Litigation. In this regard, Gilardi has forwarded the Notice Package on request to nominees who purchased Genworth publicly traded common stock for the beneficial interest of other persons. Gilardi has also forwarded the Notice Package directly to beneficial owners upon receipt of the names and addresses from such beneficial owners or nominees.

10. Following the initial mailing, Gilardi received 13 responses to the outreach efforts described above, including computer files containing a total of 8,827 names and addresses of potential Class Members. Gilardi has also received seven responses that included mailing labels with names and addresses of an additional 231 potential Class Members. In addition, 14 institutions requested that Gilardi send them a total of 14,582 Notice Packages for forwarding directly to their clients. Each of these requests has been completed in a timely manner.

11. As of the date of this declaration, Gilardi has mailed a total of 29,292 Notice Packages to potential Class Members and nominees.

TELEPHONE HOTLINE AND WEBSITE

12. Gilardi established and continues to maintain a toll-free telephone number to accommodate potential Class Member inquiries. This toll-free number, 1-866-684-3701, became

operational on August 14, 2017. The toll-free telephone number was set forth in the Notice and on the case website. Gilardi has been promptly responding to all inquiries to the toll-free telephone number and will continue to do so.

13. To further assist potential Class Members in connection with the settlement, Gilardi established and maintains a website dedicated to the settlement (www.Genworth2017SecuritiesSettlement.com). The web address was set forth in the Notice Package and Summary Notice. In accordance with the Notice Order, this website became operational on August 14, 2017. On that date, and since, visitors to the website could download the Notice Package, the Stipulation of Settlement, and the Notice Order, among other relevant documents. Class Members can also complete and submit a Proof of Claim through the website.

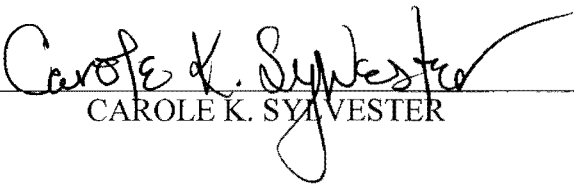

PUBLICATION OF THE SUMMARY NOTICE

14. In accordance with the Notice Order, Gilardi caused the Summary Notice to be published in *The Wall Street Journal* and transmitted over the *Business Wire* on August 22, 2017, as shown in the Declarations of Publication attached hereto as Exhibit D.

REPORT ON EXCLUSION REQUESTS RECEIVED TO DATE

15. The Notice informs potential Class Members that written requests for exclusion from the Class must be mailed to *Genworth Litigation*, Claims Administrator, EXCLUSIONS, c/o Gilardi & Co. LLC, 3301 Kerner Blvd., San Rafael, CA 94901, such that they are postmarked no later than October 25, 2017. The Notice also sets forth the information that must be included in each request for exclusion. Gilardi has monitored and will continue to monitor all mail delivered to this address. As of the date of this declaration, Gilardi has received one request for exclusion, which is attached hereto as Exhibit E.

I declare under penalty of perjury that the foregoing is true and correct. Executed this 9th day of October, 2017, at San Rafael, California.

The Court has not decided this case. Instead, both sides agreed to a settlement to avoid the uncertainties and expenses associated with ongoing litigation. This Notice is not intended to be, and should not be considered, an expression of any opinion by the Court with respect to the truth or falsity of the allegations in the Litigation against the defendants in the Litigation — Genworth and two of its former officers, Michael D. I. STATEMENT OF PLAINTIFFS' RECOVERY

The proposed Settlement will create a cash fund in the principal amount of Twenty Million Dollars (\$20,000,000.00) (the "Settlement Amount"), plus any interest that may accrue on the cash fund while it is in escrow (the "Settlement Fund").

This is a class action alleging securities fraud brought by the City of Hialeah Employees' Retirement System and New Bedford Contributory Retirement System as the "Class Representatives" against Genworth and certain of its former officers. The complaint alleged that Defendants made materially false and misleading statements to investors during the period from November 3, 2011 through April 17, 2012, inclusive (the "Class Period"), in violation of §§10(b) and 20(a) of the Securities Exchange Act of 1934, and Rule 10b-5 promulgated thereunder. The complaint further alleged that on April 17, 2012, after the market closed, Genworth announced that the planned second quarter 2012 minority initial public offering ("IPO") of its Australian mortgage insurance ("MI") subsidiary would be delayed until at least "early 2013," with the "new timeframe primarily reflect[ing] recent business performance in Australia." The next day, on April 18, 2012, Genworth's stock price dropped.

Class Representatives claimed that Defendants made materially false statements and omitted material information regarding: (i) the financial stability of Genworth's Australian MI unit; (ii) the adequacy of loss reserves in the Australian MI unit due to increased claims of a large size; (iii) loss pressures from flooding in Queensland, Australia in early 2011; (iv) the nature and timeliness of information (including delinquency information) the Australian MI unit was receiving from its loan servicers; and (v) whether the Australian IPO would proceed as planned in the second quarter of 2012.

Defendants denied all wrongdoing, denied that they had made any false statements or omissions whatsoever, continue to maintain that Genworth's disclosures complied with all applicable laws and regulations, and contend that the allegations and claims raised in the complaint lack merit.

The Settlement Fund, subject to deductions for, among other things, costs of class notice and claim administration and certain taxes and tax related expenses and for attorneys' fees and expenses approved by the Court, will be available for distribution to Class Members. Your recovery from this fund will depend on a number of variables, including your completion and submission of a valid and timely Claim Form, the number of shares of publicly traded Genworth common stock you purchased from November 3, 2011 through April 17, 2012, inclusive, the timing of your purchases and any sales, and how many others similarly situated make claims. If all eligible Class Members submit claims, Class Counsel estimates that the average distribution per share of Genworth common stock will be

approximately \$0.14 per share before deduction of Court-approved fees and expenses. In Class Counsel's experience, actual claimants are fewer than 100%. For example, assuming between 25% and 75% of eligible Class Members submit claims, the average distribution per share would be between approximately \$0.55 per share and \$0.18 per share, respectively, before the deduction of Court-approved fees and expenses.

II. STATEMENT OF POTENTIAL OUTCOME OF THE CASE

In addition to disagreeing about whether or not Defendants made any false statements or omissions, with scienter, Class Representatives and Defendants do not agree on the average amount of damages per share, if any, that would have been recoverable if Class Representatives were to have prevailed on each claim alleged. In short, the Parties disagree on all aspects of the merits of this case, including whether or not any damages were suffered and are recoverable, as well as whether the drop in Genworth's stock price on April 18, 2012 was attributable to the alleged fraud, the definition of the Class, and whether the certified Class could be maintained during the remainder of the Litigation and through trial. Defendants deny that they are liable in any respect or that either the Class Representatives or the Class suffered any injury. Accordingly, recovery of any amount at trial was far from certain. In addition, the Litigation could have taken years to resolve at great expense and with significant uncertainty.

III. REASONS FOR SETTLEMENT

Class Representatives believe that the proposed Settlement is a fair recovery and is in the best interests of the Class. Because of the risks associated with continuing to litigate and proceeding to trial, there was no guarantee that the Class would have prevailed or, if it had, how much, if any, damages could be recoverable. The proposed Settlement provides a certain benefit to Class Members, and will avoid the years of delay that would likely occur in the event of a contested trial and appeals.

IV. STATEMENT OF ATTORNEYS' FEES AND EXPENSES SOUGHT

Class Counsel have not received any payment to date for their services in conducting this Litigation on behalf of the Class Representatives and the members of the Class, nor have they been paid for their litigation expenses. Defendants have not negotiated any fees with Class Counsel. Class Counsel will apply to the Court for an award of attorneys' fees and expenses, on behalf of all Plaintiffs' Counsel. In addition, Class Counsel have advanced hundreds of thousands of dollars in costs for experts and other expenses in this Litigation. Class Counsel's application for attorneys' fees in this case will not exceed 30% of the Settlement Fund and their application for expenses will not exceed \$675,000, plus interest at the rate accrued by the Settlement Fund. In addition, the Class Representatives may each seek up to \$25,000 in expenses incurred in representing the Class, pursuant to the Private Securities Litigation Reform Act of 1995 ("PSLRA"). The attorneys' fees and expenses awarded by the Court will be paid from the Settlement Fund, if the Settlement is approved by the Court. If the amounts requested are approved by the Court, the average cost per share of Genworth common stock, based on a 100% claim rate, will be \$0.05 per share. The actual claim rate may be less than 100%. For example, assuming between 25% and 75% of eligible Class Members submit claims, the average cost per share would be between approximately \$0.19 per share and \$0.06 per share, respectively. The Court will determine the fees and expenses that are reasonable under the circumstances of this case.

For further information regarding this Settlement, you may contact representatives of Class Counsel: Rick Nelson, Shareholder Relations, Robbins Geller Rudman & Dowd LLP, 655 West Broadway, Suite 1900, San Diego, CA 92101, Telephone: 800/449-4900, www.rgrdlaw.com; or Nicole Zeiss, Settlement Counsel, Labaton Sucharow LLP, 140 Broadway, New York, NY 10005, Telephone: 888/219-6877, settlementquestions@labaton.com, www.labaton.com. VI. HEARING ON PROPOSED SETTLEMENT

When and where will the Court decide whether to approve the proposed Settlement?

A hearing (the "Settlement Hearing") will be held on November 15, 2017, at 4:00 p.m., before the Honorable Alvin K. Hellerstein, United States District Judge, at the United States District Court for the Southern District of New York, Daniel Patrick Moynihan United States Courthouse, 500 Pearl Street, Courtroom 14D, New York, NY 10007-1312. The purpose of the Settlement Hearing will be to determine: (1) whether the proposed Settlement, as set forth

in the Stipulation, consisting of Twenty Million Dollars (\$20,000,000.00) in cash, should be approved as fair, reasonable, and adequate to the members of the Class; (2) whether the proposed plan to distribute the settlement proceeds (the "Plan of Allocation") is fair, reasonable, and adequate; (3) whether the application by Class Counsel for an award of attorneys' fees and expenses and the expenses of Class Representatives should be approved and, if so, in what amounts; and (4) whether the Judgment, in the form attached to the Stipulation, should be entered. The Court may adjourn the Settlement Hearing from time to time and without further notice to the Class.

With respect to any and all Released Claims, the Parties stipulate and agree that, upon the Effective Date of the Settlement, Class Representatives and Defendants shall expressly waive, and each of the other Class Members and each of the other Defendants Releasees shall be deemed to have waived, and by operation of the Judgment or the Alternate Judgment, if applicable, shall have expressly waived, any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States, or principle of common law or foreign law, which is similar, comparable, or equivalent to California Civil Code §1542, which provides:

The Releasing Parties acknowledge that they may hereafter discover facts, legal theories, or authorities in addition to or different from those which he, she or it now knows or believes to be true with respect to the subject matter of the Released Claims, but that the Class Representatives and the Defendants Releasees nevertheless intend to and shall expressly, fully, finally, and forever settle and release, and each other Releasing Plaintiff shall be deemed to have settled and released, and upon the Effective Date and by operation of the Judgment or the Alternate Judgment, if applicable, shall have settled and released, fully, finally, and forever, any and all Released Claims as applicable, known or unknown, suspected or unsuspected, contingent or non-contingent, whether or not concealed or hidden, which now exist, or heretofore have existed, upon any theory of law or equity now existing or coming into existence in the future, including, but not limited to, conduct, which is negligent, reckless, intentional, with or without malice, or a breach of any duty, law, or rule, without regard to the subsequent discovery or existence of such different or additional facts, legal theories, or authorities. Class Representatives and Defendants acknowledge, and each of

the other Class Members and each of the other Defendants Releasees shall be deemed by operation of law to have acknowledged, that the foregoing waiver was separately bargained for and a key element of the Settlement.

VIII. THE HISTORY OF THE LITIGATION

What has happened in this case so far?

The initial complaint in this case, captioned *City of Hialeah Employees' Retirement System v. Genworth Financial, Inc., et al.*, Civil Action No. 1:14-cv-02392-AKH, was filed in the Court on April 4, 2014. By order entered July 28, 2014, the Court appointed the City of Hialeah Employees' Retirement System and New Bedford Contributory Retirement System as "Lead Plaintiffs" and their counsel Labaton Sucharow LLP and Robbins Geller Rudman & Dowd LLP as "Lead Counsel." On October 3, 2014, the Amended Complaint for Violation of the Federal Securities Laws was filed alleging violations of §§10(b) and 20(a) of the Securities Exchange Act of 1934 (the "Complaint"). The named defendants in the Complaint were Genworth and individual defendants Michael D. Fraizer and Martin P. Klein (the "Individual Defendants"). On December 2, 2014, the Defendants moved to dismiss the Complaint, which was opposed by Lead Plaintiffs. By order entered March 25, 2015, the Court denied Defendants' motion to dismiss. However, the Court, on its own, dismissed the Complaint, without prejudice. On April 17, 2015, Lead Plaintiffs filed their Second Amended Class Action Complaint (the "Second Amended Complaint"). On May 8, 2015, Defendants again moved to dismiss, which Lead Plaintiffs opposed. By order entered June 16, 2015, the Court denied Defendants' motion to dismiss. On January 22, 2016, Defendants moved for reconsideration of the Court's denial of their motion to dismiss, which motion Lead Plaintiffs opposed. By order entered March 3, 2016, the Court denied Defendants' motion for reconsideration. Thereafter, Defendants filed an answer denying all allegations of wrongdoing in the Second Amended Complaint and asserting defenses thereto. On January 29, 2016, Lead Plaintiffs moved for class certification, which motion Defendants opposed. The Court granted the class certification motion on March 7, 2016.

As reflected by the above-referenced motions to dismiss the complaints and certify the class, this case was vigorously litigated by the Parties. During the pendency of the Litigation, the Parties engaged in extensive fact discovery for almost two years. During this time, the Parties subpoenaed more than a dozen parties and third parties. Defendants and several third parties produced approximately 2.2 million pages of documents, which Class Counsel analyzed. Thereafter, the Parties took nine depositions (within the United States and Australia), including depositions of the Individual Defendants. The Parties also engaged consulting expert witnesses, who provided opinions relevant to the alleged damages in the case and the mortgage industry.

During the course of the Litigation, the Parties explored the possibility of a negotiated resolution of the Litigation through numerous in person discussions, telephonic conferences, and written correspondence. After an in-person settlement meeting, these efforts culminated with the Parties agreeing to settle the Litigation for \$20,000,000.00, subject to the negotiation of the terms of a stipulation of settlement and approval by the Court.

IX. TERMS OF THE PROPOSED SETTLEMENT

What does the Settlement provide? What am I giving up to receive a payment or if I stay in the Class?

The terms of the Settlement entered into by the Class Representatives and Defendants are set forth in full in the Stipulation and its Exhibits. A portion of the \$20 million Settlement Fund will be used to pay attorneys' fees and expenses to Class Counsel and the Class Representatives, to pay for this Notice and the processing of claims submitted by Class Members, and to pay Taxes and Tax Expenses. The balance of the Settlement Fund (the "Net Settlement Fund") will be distributed, in accordance with the Plan of Allocation described below, to Class Members who submit valid and timely Claim Forms.

If the Settlement is approved by the Court, the Court will enter a Final Judgment and Order of Dismissal with Prejudice (the "Judgment"), which will end this case. In addition, the Judgment will require that, upon the Effective Date of the Settlement, Class Representatives and each of the Class Members, for themselves and for any other Person claiming (now or in the future) through or on behalf of them, and regardless of whether any such plaintiff or Class Member ever seeks or obtains any payment from the Settlement Fund, will be deemed to have, and by operation of the Judgment will have, fully, finally, and forever waived, released, relinquished, discharged, and dismissed each and every one of the Released Plaintiffs' Claims (defined above) against each and every one of the Defendants Releasees (defined above), and will be permanently barred and enjoined from instituting, commencing, prosecuting, or maintaining any such Released Plaintiffs' Claim against any of the Defendants and the other

Defendants Releasees. Claims to enforce the releases and other terms and conditions contained in the Stipulation or the Judgment are not released.

The Settlement is conditioned upon the occurrence of certain events that are described in the Stipulation. Those events include, among other things: (1) entry of the Judgment by the Court; and (2) expiration of the time to appeal from the Judgment or to move to alter or amend the Judgment, or the determination of any such appeal or motion in a manner to permit the consummation of the Settlement. If, for any reason, any one of the conditions described in the Stipulation is not met, the Stipulation might be terminated and, if terminated, it will become null and void, and the Parties will be restored to their respective litigation positions as of March 21, 2017. In that event, the Settlement will not proceed and no payments will be made to Class Members.

X. SUBMITTING A CLAIM FORM

How can I receive a payment from the Settlement?

TO PARTICIPATE IN THE DISTRIBUTION OF THE NET SETTLEMENT FUND, YOU MUST TIMELY SUBMIT A VALID CLAIM FORM. A Claim Form is enclosed with this Notice, or it may be read on-line or downloaded for free at www.Genworth2017SecuritiesSettlement.com. Read the instructions carefully, fill out the Claim Form, include all the documents the form asks for, sign it, and mail or submit it online so that it is postmarked (if mailed) or received (if filed electronically) no later than November 22, 2017. The Claim Form may be submitted online at www.Genworth2017SecuritiesSettlement.com. The Claims Administrator can also be reached at 1-866-684-3701. Unless the Court orders otherwise, if you do not timely submit a valid Claim Form, you will be barred from receiving any payments from the Net Settlement Fund, but you will in all other respects be bound by the provisions of the Stipulation and the Judgment, including the release of claims, if you are a Class Member.

How will my claim be calculated? What is the Plan of Allocation?

The Net Settlement Fund will be distributed to Class Members who are entitled to a distribution from the Net Settlement Fund under the Plan of Allocation described below and who submit valid and timely Claim Forms. The Court may approve this proposed Plan of Allocation, or modify it, without additional notice to the Class. Any order modifying the Plan of Allocation will be posted on the settlement website, www.Genworth2017SecuritiesSettlement.com. Your receipt of this Notice does not mean that you are a Class Member or that you will receive a payment.

The objective of the Plan of Allocation is to distribute the Settlement proceeds equitably among those Class Members who suffered economic losses as a proximate result of the alleged wrongdoing. The Plan of Allocation is not a formal damage analysis, and the calculations made in accordance with the Plan of Allocation are not intended to be estimates of, or indicative of, the amounts that Class Members might have been able to recover after a trial. Nor are the calculations in accordance with the Plan of Allocation intended to be estimates of the amounts that will be paid to Authorized Claimants under the Settlement. The computations under the Plan of Allocation are only a method to weigh, in a fair and equitable manner, the claims of Authorized Claimants against one another for the purpose of making allocations of the Net Settlement Fund.

In the unlikely event there are sufficient funds in the Net Settlement Fund to reimburse the Class for all losses, each Authorized Claimant will receive an amount equal to the Authorized Claimant's claim, as defined below. If, however, and as is more likely, the amount in the Net Settlement Fund is not sufficient to permit payment of the total claimed losses of each Authorized Claimant, then each Authorized Claimant shall be paid the percentage of the Net Settlement Fund that each Authorized Claimant's claim bears to the total of the claims of all Authorized Claimants — his, her or its "*pro rata* share."

The Plan of Allocation was developed in consultation with Class Representatives' damages expert. In developing the Plan of Allocation, Class Representatives' damages expert calculated the estimated amount of alleged artificial inflation in the per share prices of Genworth common stock that was allegedly proximately caused by Defendants' alleged materially false and misleading statements and omissions. In calculating the estimated artificial inflation allegedly caused by those alleged misrepresentations and omissions, Class Representatives' damages expert considered price changes in Genworth common stock in reaction to the public disclosure that allegedly corrected the respective alleged misrepresentations and omissions, and adjusted the price change for factors that were attributable to market or industry forces. In order to have a "Recognized Loss Amount" under the Plan of Allocation, shares of Genworth publicly traded common stock must have been purchased during the Class Period and held through April

17, 2012 (the date Genworth publicly announced the postponement of the planned IPO of its Australian MI subsidiary).

CALCULATION OF RECOGNIZED LOSS AMOUNTS

Based on the formulas stated below, a "Recognized Loss Amount" will be calculated for each purchase of Genworth publicly traded common stock during the Class Period that is listed on the Claim Form and for which adequate documentation is provided. If a Recognized Loss Amount calculates to a negative number or zero under the formula below, that Recognized Loss Amount will be zero.

For each share of Genworth publicly traded common stock purchased from November 3, 2011 through and including the close of trading on April 17, 2012, and:

- (a) Sold prior to the close of trading on April 17, 2012, the Recognized Loss Amount will be \$0.00;
- (b) Sold from April 18, 2012 through and including the close of trading on July 16, 2012, the Recognized Loss Amount will be **the least of**: (i) \$1.70 (the amount of alleged artificial inflation per share during the Class Period), (ii) the purchase price minus the sale price, or (iii) the purchase price minus the average closing price between April 18, 2012 and the date of sale as stated in Table A at the end of this Notice; and
- (c) Held as of the close of trading on July 16, 2012, the Recognized Loss Amount will be **the lesser of**: (i) \$1.70 (the amount of alleged artificial inflation per share during the Class Period), or (ii) the purchase price minus \$5.47, the average closing price for Genworth common stock between April 18, 2012 and July 16, 2012 (the last entry on Table A).¹

General Provisions

The date of a purchase or sale is the "contract" or "trade" date, not the "settlement" date.

For Class Members who held Genworth publicly traded common stock at the beginning of the Class Period or made multiple purchases or sales during the Class Period, the First-In, First-Out ("FIFO") method will be applied to such holdings, purchases, and sales for purposes of calculating a claim. Under the FIFO method, sales of Genworth common stock during the Class Period will be matched, in chronological order, first against shares of common stock held at the beginning of the Class Period. The remaining sales of common stock during the Class Period will then be matched, in chronological order, against common stock purchased during the Class Period.

A claimant's "Recognized Claim" under the Plan of Allocation will be the sum of his, her, or its Recognized Loss Amounts. The Net Settlement Fund will be distributed to Authorized Claimants on a *pro rata* basis based on the relative size of their Recognized Claims. Specifically, a "Distribution Amount" will be calculated for each Authorized Claimant, which will be the Authorized Claimant's Recognized Claim divided by the total Recognized Claims of all Authorized Claimants, multiplied by the total amount in the Net Settlement Fund. If any Authorized Claimant's Distribution Amount calculates to less than \$10.00, it will not be included in the calculation and no distribution will be made to that Authorized Claimant.

A Class Member will be eligible to receive a distribution from the Net Settlement Fund only if a Class Member had a net overall loss, after all profits from transactions in all Genworth common stock described above during the Class Period are subtracted from all losses. However, the proceeds from sales of common stock that have been matched against the common stock held at the beginning of the Class Period will not be used in the calculation of such net loss.

¹ Under Section 21(D)(e)(1) of the Exchange Act, "in any private action arising under this Act in which the plaintiff seeks to establish damages by reference to the market price of a security, the award of damages to the plaintiff shall not exceed the difference between the purchase or sale price paid or received, as appropriate, by the plaintiff for the subject security and the mean trading price of that security during the 90-day period beginning on the date on which the information correcting the misstatement or omission that is the basis for the action is disseminated to the market." Consistent with the requirements of the statute, Recognized Loss Amounts are reduced to an appropriate extent by taking into account the closing prices of Genworth common stock during the 90-day look-back period. The mean (average) closing price for Genworth common stock during this 90-day look-back period was \$5.47.

If there is any balance remaining in the Net Settlement Fund after a reasonable period of time after the date of the initial distribution of the Net Settlement Fund, Class Counsel shall, if feasible, reallocate (which reallocation may occur on multiple occasions) such balance among Authorized Claimants in an equitable and economic fashion. Thereafter, any *de minimis* balance that still remains in the Net Settlement Fund will be donated to the Council of Institutional Investors' Research and Education Fund, or another appropriate non-profit organization(s) approved by the Court.

Each claimant shall be deemed to have submitted to the jurisdiction of the Court with respect to his, her or its Claim Form. The Court has reserved jurisdiction to hear an appeal by any Class Member of the Claims Administrator's determinations regarding a Class Member's claim and to allow, disallow, or adjust the claim of any Class Member on equitable grounds.

Payment pursuant to the Plan of Allocation set forth above shall be conclusive against all Authorized Claimants. Defendants, their respective counsel, and all other Defendants Releasees will have no responsibility or liability whatsoever for the investment of the Settlement Fund, the distribution of the Net Settlement Fund, the Plan of Allocation or the payment of any claim. No Person shall have any claim against the Class Representatives, Plaintiffs' Counsel, any claims administrator, or other agent designated by Class Counsel, or Defendants or Defendants' Counsel based on distributions made substantially in accordance with the Stipulation and the Settlement contained therein, the Plan of Allocation, or further orders of the Court.

XI. APPLICATION FOR ATTORNEYS' FEES AND EXPENSES

How will the lawyers be paid? Can I have my own lawyer appear for me?

At the Settlement Hearing, Class Counsel will ask the Court to award attorneys' fees of no more than 30% of the Settlement Fund, and expenses not to exceed \$675,000, plus accrued interest. In addition, the Class Representatives may each seek up to \$25,000 in expenses (including lost wages) they incurred in representing the Class. If the Court approves the fee and expense application, the awards will be paid from the Settlement Fund. Class Members are not personally liable for any such fees or expenses.

The fee requested by Class Counsel will compensate counsel for their efforts in achieving the Settlement for the benefit of the Class, and for their risk in undertaking this representation on a wholly contingent basis. Class Counsel believe that the fee requested is well within the range of fees awarded to plaintiffs' counsel under similar circumstances in other litigation of this type. The fee to be requested has been approved by the Class Representatives.

If you are a Class Member, you may, but are not required to, enter an appearance on your own behalf or through counsel of your own choosing and at your own expense, provided that you or your counsel must file an appearance with the Court on your behalf on or before October 25, 2017, and must serve copies of such appearance on the attorneys listed below. If you do not enter an appearance through counsel of your own choosing, you will be represented by Class Counsel: Robbins Geller Rudman & Dowd LLP, Douglas Britton, 655 West Broadway, Suite 1900, San Diego, CA 92101 and Labaton Sucharow LLP, Jonathan Gardner, 140 Broadway, New York, NY 10005.

XIII. OBJECTING TO THE SETTLEMENT, THE PLAN OF ALLOCATION, OR THE FEE AND EXPENSE APPLICATION
