CORPORATION/ENHANCE  
SECURITIES LITIGATION

Civil Action No. 08-397 (DMC) (JAD)

**DECLARATION OF STEVEN J. TOLL  
IN SUPPORT OF CO-LEAD COUNSEL'S MOTION FOR AN AWARD OF  
ATTORNEYS' FEES AND REIMBURSEMENT OF LITIGATION EXPENSES FILED  
ON BEHALF OF COHEN MILSTEIN SELLERS & TOLL PLLC**

STEVEN J. TOLL, declares as follows:

1. I am a member of the law firm of Cohen Milstein Sellers & Toll PLLC. I submit this declaration in support of Co-Lead Counsel's application for an award of attorneys' fees in connection with services rendered in the above-captioned action (the Action"), as well as for reimbursement of expenses incurred in connection with the Action.

2. My firm acted as one of Plaintiffs' Counsel in this Action. In this capacity, my firm performed the following tasks: We were involved in all aspects of this case working with co-lead counsel. Our principal tasks involved extensive document review of the massive production made by defendants, plus being involved in the entire mediation process. We also were involved in the drafting process of the Consolidated Amended Complaint. We spent thousands of hours reviewing voluminous material produced by defendants, which review helped identify important documents which added to the strength of the case. We also participated in many mediation sessions with the mediators and Plaintiffs' Co-lead Counsel.

3. The schedule attached hereto as Exhibit 1 is a detailed summary indicating the amount of time spent by each attorney and professional support staff employee of my firm who was involved in this Action and the lodestar calculation for those individuals based on my firm's 2013 billing rates. For personnel who are no longer employed by my firm, the lodestar calculation is based upon the billing rates for such personnel in his or her final year of employment by my firm. The schedule was prepared from contemporaneous daily time records regularly prepared and maintained by my firm. Time expended in preparing this application for fees and reimbursement of expenses has not been included in this request.

4. The hourly rates for the attorneys and professional support staff in my firm included in Exhibit 1 are the same as the regular rates that would be charged for their services in non-contingent matters.

5. The total number of hours expended on this Action by my firm from its inception through and including May 31, 2013, is 7,987.50. The total lodestar for my firm for that period is \$4,184,986.25, consisting of \$4,174,838.75 for attorneys' time and \$10,147.50 for professional support staff time.

6. My firm's lodestar figures are based upon the firm's billing rates, which rates do not include charges for expense items. Expense items are billed separately and such charges are not duplicated in my firm's billing rates.

7. As detailed in Exhibit 2, my firm is seeking reimbursement for a total of \$17,574.09 in unreimbursed expenses incurred in connection with the prosecution of this Action

from its inception through and including May 31, 2013.

8. The expenses reflected in Exhibit 2 are presented in accordance with my firm's expense policies.

9. The expenses incurred in this Action are reflected on the books and records of my firm. These books and records are prepared from expense vouchers, check records and other source materials and are an accurate record of the expenses incurred.

10. With respect to the standing of my firm, attached hereto as Exhibit 3 is a biography of my firm.

I declare, under penalty of perjury, that the foregoing facts are true and correct. Executed on June 24, 2013.

**Firm Resume**

## Cohen Milstein Sellers & Toll PLLC

For decades, Cohen Milstein Sellers & Toll PLLC has represented individuals, small businesses, institutional investors, and employees in many of the major class action cases litigated in the United States for violations of the antitrust, securities, consumer protection, civil rights/discrimination, environmental, ERISA, employment, and human rights laws. Cohen Milstein is also at the forefront of numerous innovative legal actions that are expanding the quality and availability of legal recourse for aggrieved individuals and businesses both domestic and international. Over its history, Cohen Milstein has obtained many landmark judgments and settlements for individuals and businesses in the United States and abroad. The firm's most significant past and present cases include:

- In re Urethane Antitrust Litigation (Polyether Polyol Cases) (D. Kan.). Cohen Milstein represents a class of direct purchasers of several types of chemicals who were overcharged as a result of a nationwide price-fixing and market allocation conspiracy. Cohen Milstein was able to negotiate settlements with certain defendants totaling approximately \$139 million, and proceeded to trial against the remaining defendant. Following the trial, the jury returned a verdict in favor of the class that amounted to \$400 million before trebling.
- In re Vitamins Antitrust Litigation, MDL No. 1285 (D.D.C.). Cohen Milstein served as co-lead counsel for two certified classes of businesses that directly purchased bulk vitamins and were overcharged as a result of a ten year global price-fixing and market allocation conspiracy. Chief Judge Hogan approved four major settlements between certain vitamin defendants and Class Plaintiffs, including a landmark partial settlement of \$1.1 billion. In a later trial before Chief Judge Hogan concerning four Class Plaintiffs' remaining unsettled Vitamin B4 (choline chloride) claims, a federal jury in Washington unanimously found Japan's second largest trading company, Mitsui & Co., Ltd., its wholly-owned U.S. subsidiary Mitsui & Co. (U.S.A.), Inc., DuCoa, LP, a choline chloride manufacturer based in Highland, Illinois, and DuCoa's general partner, DCV, Inc. liable for participating in the conspiracy and ordered them to pay \$49,539,234, which is trebled to \$148,617,702 under the federal antitrust laws. The case was subsequently settled against those defendants.
- Keepseagle v. Vilsack, Civil Action No. 1:99CV03119 (D.D.C.). A class of Native American farmers and ranchers allege that they have been systematically denied the same opportunities to obtain farm loans and loan servicing that have been routinely afforded white farmers by the USDA. A class was certified in 2001 by Judge Emmet Sullivan, District Judge for the U.S. District Court for the District of Columbia, and the D.C. Circuit declined USDA's request to review that decision. On October 19, 2010, the case reached a historic settlement, with the USDA agreeing to pay \$680 million in damages to thousands of Native American farmers and ranchers and forgive up to \$80 million worth of outstanding farm loan debt.
- In re Parmalat Securities Litigation, No. 04 MD 1653 (S.D.N.Y.). In this securities litigation case, Cohen Milstein has successfully negotiated two partial settlements totaling approximately \$90 million. At the second partial settlement hearing, Judge Lewis A. Kaplan remarked that plaintiffs counsel "did a wonderful job here for the class and were in all respects totally professional and totally prepared. I wish I had counsel this good in front of me in every case." Our clients, four large European institutional investors, were appointed as co-lead plaintiffs and

we were appointed as co-lead counsel. Most notably, this case allowed us the opportunity to demonstrate our expertise in the bankruptcy area. During the litigation, the company subsequently emerged from bankruptcy and we added “New Parmalat” as a defendant because of the egregious fraud committed by the now-bankrupt old Parmalat. New Parmalat strenuously objected and Judge Kaplan of the Southern District of New York ruled in the class plaintiffs’ favor, a ruling which was affirmed on appeal. This innovative approach of adding New Parmalat enabled the class to obtain an important additional source of compensation, as we subsequently settled with New Parmalat.

- Dukes v. Wal-Mart Stores, Inc., No. C-01-2252 (N.D. Cal.). Cohen Milstein is co-lead counsel in this sex discrimination case. In 2004, the U.S. District Court certified a nationwide class action lawsuit for all female employees of Wal-Mart who worked in U.S. stores anytime after December 26, 1998. This was the largest civil rights class action ever certified against a private employer, including approximately 1.5 million current and former female employees. That ruling was appealed, and while affirmed by the Ninth Circuit, was reversed by the Supreme Court in June 2011. Cohen Milstein argued the case for the plaintiffs-respondents in the Supreme Court. Since then, the *Dukes* action has been amended to address only the Wal-Mart regions that include stores in California, and other regional class cases have been or are soon to be filed. This litigation to resolve the merits of the claims – whether Wal-Mart discriminates against its female retail employees in pay and promotions – continues.
- Rubin v. MF Global, Ltd. (08-CV-02233, S.D.N.Y.). Acting as co-lead counsel in this class action, the Firm represented the Central States, Southeast and Southwest Areas Pension Fund which was one of the co-lead plaintiffs in the case. In September 2010, as a result of Plaintiffs’ decision to appeal, the U.S. Second Circuit Court of Appeals vacated in part the lower court’s dismissal of the case and remanded the case for further proceedings. In overturning the District Court decision, the Second Circuit issued a decision which differentiated between a forecast or a forward looking statement accompanied by cautionary language -- which the Appellate Court said would be insulated from liability under the bespeaks caution doctrine -- from a factual statement, or non-forward-looking statement, for which liability may exist. Importantly, the Second Circuit accepted Plaintiffs’ position that where a statement is mixed, the court can sever the forward-looking aspect of the statement from the non-forward looking aspect. The Court further stated that statements or omissions as to existing operations (and present intentions as to future operations) are not protected by the bespeaks caution doctrine. Mediation followed this decision and resulted in a settlement comprised of \$90 million in cash.
- Hughes v. Huron Consulting Group (09-CV-04734, N.D. Ill.). Cohen Milstein represented lead plaintiffs the Public School Teachers’ Pension & Retirement Fund of Chicago and the Arkansas Public Employees Retirement System (“APERS”) in this case against Huron Consulting Group, founded by former Arthur Anderson personnel following its collapse in the wake of the Enron scandal. In August 2010, the District Court for the Northern District of Illinois denied defendants’ motions to dismiss in their entirety and upheld plaintiffs’ allegations that defendants intentionally improperly accounted for acquisition-related payments, which allowed plaintiffs to move forward with discovery. The case was settled for \$40 million, comprised of \$27 million in cash and 474,547 shares in Huron common stock, with an aggregate value at the time of final approval in 2011 of approximately \$13 million.
- In re Lucent Technologies Securities Litigation, Civ. Action No. 00-621 (JAP) (D.N.J.). A settlement in this massive securities fraud class action was reached in late March 2003. The

class portion of the settlement amounts to over \$500 million in cash, stock and warrants and ranks as the second largest securities class action settlement ever completed. Cohen Milstein represented one of the co-lead plaintiffs in this action, a private mutual fund.

- RehabCare, Civil Action No. 6197 (Delaware Court of Chancery). Cohen Milstein served as co-lead counsel in this shareholder litigation challenging the acquisition of healthcare provider RehabCare Group, Inc. by Kindred Healthcare, Inc. A settlement was approved in September 2011 and provided for additional disclosures regarding the process leading up to the merger along with a \$2.5 million payment for the benefit of the class of RehabCare shareholders.
- Nate Pease, et al. v. Jasper Wyman & Son, Inc., et al., Civil Action No. 00-015 (Knox County Superior Court, Me.). In 2004, a state court jury from Maine found three blueberry processing companies liable for participating in a four-year price-fixing and non-solicitation conspiracy that artificially lowered the prices defendants paid to approximately 800 growers for wild blueberries. The jury ordered defendants Cherryfield Foods, Inc., Jasper Wyman & Son, Inc., and Allen's Blueberry Freezer, Inc. to pay \$18.68 million in damages, the amount which the growers would have been paid absent the defendants' conspiracy. After a mandatory trebling of this damage figure under Maine antitrust law, the total amount of the verdict for the plaintiffs is just over \$56 million. The Firm served as co-lead counsel.
- In re StarLink Corn Products, Liability Litigation, MDL No. 1403. (N.D. Ill.). Cohen Milstein successfully represented U.S. corn farmers in a national class action against Aventis CropScience USA Holding and Garst Seed Company, the manufacturer and primary distributor of StarLink corn seeds. StarLink is a genetically modified corn variety that the United States government permitted for sale as animal feed and for industrial purposes, but never approved for human consumption. However, StarLink was found in corn products sold in grocery stores across the country and was traced to widespread contamination of the U.S. commodity corn supply. The Firm, as co-lead counsel, achieved a final settlement providing more than \$110 million for U.S. corn farmers, which was approved by a federal district court in April 2003. This settlement was the first successful resolution of tort claims brought by farmers against the manufacturers of genetically modified seeds.
- In re Diet Drug Litigation (Fen-Phen), MDL No. 1203 (E.D. Pa.). As a member of the Plaintiffs' Management Committee and Sub-Class Counsel, Cohen Milstein played a major part in the success of the Fen-Phen diet drug litigation and settlement (*In re: Diet Drugs (Phentermine, Fenfluramine, Dexfenfluramine) Products Liability Litigation*, MDL 1203). Cohen Milstein and other plaintiffs' counsel achieved the largest settlement ever obtained in a mass tort case - \$3.75 billion – on behalf of millions of U.S. consumers who used Pondimin (fenfluramine) or Redux (dexfenfluramine), either alone or in combination with phentermine, diet drugs that are associated with heart valve damage.
- Snyder v. Nationwide Mutual Insurance Company, No. 97/0633 (Sup. Ct. N.Y. Onondaga Cty.). Cohen Milstein served as one of plaintiffs' principal counsel in this case on behalf of persons who held life insurance policies issued by Nationwide through its captive agency force. The action alleged consumer fraud and misrepresentations. Plaintiffs obtained a settlement valued at more than \$85 million. The judge praised the efforts of Cohen Milstein and its co-counsel for having done "a very, very good job for all the people." He complimented "not only the manner" in which the result was arrived at, but also the "time ... in which it was done."

- Oncology & Radiation Associates, P.A. v. Bristol Myers Squibb Co., et al., No. 1:01CV02313 (D.D.C.). Cohen Milstein has been co-lead counsel in this case since its inception in 2001. Plaintiffs alleged that Bristol-Myers Squibb unlawfully monopolized the United States market for paclitaxel, a cancer drug discovered and developed by the United States government, which Bristol sells under the brand name Taxol. Bristol's scheme included a conspiracy with American BioScience, Inc., a generic manufacturer, to block generic competition. Cohen Milstein's investigation and prosecution of this litigation on behalf of direct purchasers of Taxol led to a settlement of \$65,815,000 that was finally approved by U.S. District Judge Emmet G. Sullivan on August 14, 2003 and preceded numerous Taxol-related litigations brought by the Federal Trade Commission and State Attorneys General offices.
- Kruman v. Christie's International PLC, et al., Docket No. 01-7309. A \$40 million settlement on behalf of all persons who bought or sold items through Christie's or Sotheby's auction houses in non-internet actions was approved in this action. Cohen Milstein served as one of three leading counsel on behalf of foreign plaintiffs. The Court noted that approval of the settlement was particularly appropriate, given the significant obstacles that faced plaintiffs and plaintiffs' counsel in the litigation. The settlement marked the first time that claims on behalf of foreign plaintiffs under U.S. antitrust laws have been resolved in a U.S. court, a milestone in U.S. antitrust jurisprudence.
- In re Infant Formula Consumer Antitrust Litigation (multiple state courts). Cohen Milstein instituted price-fixing cases on behalf of indirect-purchasers in 17 states under state antitrust laws against three companies who conspired to drive up the price of infant formula. The cases resulted in settlements of \$64 million for purchasers of infant formula.
- Domestic Air Transportation Antitrust Litigation (N.D. Ga.). Plaintiffs alleged a conspiracy among major airlines to set prices. In one of the largest consumer class actions ever brought to a successful conclusion, Cohen Milstein was one of the lead counsel and obtained a settlement of travel discounts and cash totaling \$458 million for the class of individuals and businesses.
- In re The Exxon Valdez Litigation, No. A89-095 Civ. (D. Ak.). The firm was selected from dozens of law firms around the country by federal and state judges in Alaska to serve as co-lead counsel for plaintiffs in the largest environmental case in United States history that resulted in a jury verdict of more than \$5 billion (reversed and remanded for revised punitive damages award; further proceedings pending).
- Holocaust Litigation. In the historic Swiss Banks litigation, Cohen Milstein served, *pro bono*, as co-lead counsel for Holocaust survivors against the Swiss banks that collaborated with the Nazi regime during World War II by laundering stolen funds, jewelry and art treasures. Cohen Milstein obtained a \$1.25 billion settlement, leading the presiding judge to call the firm's work "indispensable." See *In re Holocaust Victim Assets Litig.*, Case No. CV 96-4849 (ERK) (MDG) (Memorandum of Chief Judge Korman dated July 26, 2002). The Firm was also a lead counsel in litigation by survivors of World War II-era forced and slave labor in litigation against the German companies that profited from using the labor of concentration camp inmates. This litigation, which resulted in an unprecedented settlement of \$5.2 billion, was resolved by multinational negotiations involving the defendants, plaintiffs' counsel, and the governments of several countries for approximately two million claimants.

Cohen Milstein has contributed over tens of thousands of hours of time to human rights and *pro bono* cases since 1996. As an example, the Firm represented eight survivors and/or families of the victims of the September 11, 2001 attack on the Pentagon before the Federal compensation fund. Cohen Milstein has obtained a substantial recovery for each, including the highest recovery to date, \$6.8 million, for an injured individual.

- Roberts v. Texaco, Inc., 94-Civ. 2015 (S.D.N.Y.). Cohen Milstein represented a class of African-American employees in this landmark litigation that resulted in the then-largest race discrimination settlement in history (\$176 million in cash, salary increases and equitable relief). The Court hailed the work of class counsel for, *inter alia*, “framing an imaginative settlement, that may well have important ameliorative impact not only at Texaco but in the corporate context as a whole ...”.
- Conanan v. Tanoue, No. 00-CV-3091 (ESH). Cohen Milstein represented African-American employees at the Federal Deposit Insurance Corporation (FDIC) in this race discrimination suit, which settled for \$14 million. The settlement provides the largest payment made in an employment discrimination class action based on race against a federal agency.
- Trotter v. Perdue Farms, Inc., Case No. 99-893 (RRM) (JJF) (MPT), D. Del. This suit on behalf of hourly workers at Perdue’s chicken processing facilities – which employ approximately 15,000 people – forced Perdue to pay employees for time spent “donning and doffing,” that is, obtaining, putting on, sanitizing and removing protective equipment that they must use both for their own safety and to comply with USDA regulations for the safety of the food supply. The suit alleged that Perdue’s practice of not counting donning and doffing time as hours worked violated the Fair Labor Standards Act and state law. In a separate settlement with the Department of Labor, Perdue agreed to change its pay practices. In addition, Perdue is required to issue retroactive credit under one of its retirement plans for “donning and doffing” work if the credit would improve employees’ or former employees’ eligibility for pension benefits. Cohen Milstein was co-lead counsel.

In addition, Cohen Milstein is an innovator in new areas of the law. Cohen Milstein was in the forefront of filing antitrust claims on behalf of indirect purchasers in 1993 and 1994, when it filed state-court actions in 18 states on behalf of indirect purchasers of infant formula. This was the first effort to systematically and simultaneously pursue treble damages claims on behalf of indirect-purchasing consumers in all states where antitrust laws permitted such claims. This approach, and variations of it, has since become the accepted model for pursuing antitrust damages on behalf of indirect-purchasing consumers. The Firm also has been in the forefront of the development of international antitrust theory and litigation of claims. As the global economy has produced worldwide conglomerates, so, too, has the nature of antitrust violations changed. For example, in *Kruman v. Christie's International PLC, et al.* Docket No. 01-7309 and *In re Bulk Vitamins Antitrust Litigation*, MDL 1285 (D.D.C.), both the parties and the anticompetitive actions were played out on a world, rather than domestic, stage. The firm also represents and won Lead Plaintiff status for domestic and foreign investors in a foreign company’s bonds, in a PSLRA litigation being pursued in the United States, *In re Parmalat Securities Litigation*, Master Docket 04 Civ. 0030 (LAK) (S.D.N.Y.).

Cohen Milstein has also served as lead or co-lead counsel, or on Plaintiffs’ Executive Committee(s), in many dozens of antitrust, securities, consumer protection or product liability, civil rights, and human rights class action cases.

### Attorney Profiles – Partners

#### **Steven J. Toll**

Steven J. Toll joined the Firm in 1979 and has been lead or principal counsel in some of the most highly publicized stock fraud cases for over 30 years. He has been Managing Partner of the Firm since 1997 and is co-chair of the Securities Fraud/Investor Protection practice group. Mr. Toll was profiled in the February 1996 *Washington Business Journal* as one of five attorneys that stand out as the “cream of the crop” in the Washington D.C. legal community. *Lawdragon* named him as one of the 500 Leading Lawyers in America in 2006-07-08, as well as naming him one of the 100 Lawyers You Need to Know in Securities Litigation in 2008. In 2010, Mr. Toll was named to *Law360*'s "Most Admired Attorneys".

In July 2005, Mr. Toll was lead trial counsel in one of the few securities class actions to go to trial involving Globalstar, a satellite manufacturer. Mr. Toll successfully argued the motions before and during trial and ultimately achieved a settlement of \$20 million shortly before the case was scheduled to go to the jury. In approving the settlement, U.S. District Judge Kevin Castel remarked that Mr. Toll and his colleagues had “done a terrific job in presenting the case for the plaintiffs.”

Some of Mr. Toll’s other notable cases include those against Lucent Technologies, which was settled in 2001 for approximately \$575 million, at the time, the second largest securities class action settlement ever achieved; *Converium*, where he negotiated a global settlement in the U.S. courts and the courts in Amsterdam of \$135 million; *MF Global*, where he helped negotiate a settlement of \$90 million; *Southmark Securities Litigation*, where he helped achieve a settlement of \$70 million from the company’s auditors, Drexel Burnham and Michael Milken; *Norman v. Salomon Smith Barney*, where he negotiated a \$50 million settlement on behalf of customers of Salomon’s Guided Portfolio Management Program, who alleged that Salomon invested their money in companies in order to boost Salomon’s investment banking business; and the mortgage-backed securities case involving Lehman Brothers where he negotiated a settlement of \$40 million.

Mr. Toll also served as co-lead counsel in one of the most publicized frauds of the 1990s -- Cascade International (S.D. Fla.) where the mastermind of the fraud, Victor Incendy, is still a fugitive from justice. The case settled on the eve of trial against Raymond James Inc. -- the only securities class action ever successfully litigated against a brokerage firm for its role as a research analyst.

Mr. Toll is currently co-lead counsel in the BP Securities Litigation, a major case stemming out of the Deepwater Horizon explosion in 2010 and BP's process safety disclosures. He led the Firm’s team as co-lead counsel in one of the most highly publicized fraud cases of this era, the securities fraud class action involving Parmalat, the Italian dairy manufacturer; the case is known as Europe’s “Enron,” because of the similarities of the fraudulent schemes and the non-existence of billions of dollars of assets that had been recorded on Parmalat’s financial statements. That case was settled for \$90 million. He is also lead counsel in a mortgage-backed securities case involving Countrywide and Washington Mutual.

He has written for and spoken at various conferences about securities law and corporate governance issues, including, *inter alia*, *The Plaintiffs’ Perspective, Securities Regulation and the New Law*, National Legal Center for the Public Interest, No. 1, Sept. 1996; *The Sarbanes-Oxley Bill Provides No Assistance To Investors Seeking To Recovery From Corporate Fraud*, ABA Annual Meeting, August 2002; *The Analyst Cases Involving Merrill Lynch, and Its Internet Analyst Henry Blodget, and*

*Salomon Smith Barney and Its Telecommunications Analyst Jack Grubman, Mass Torts Made Perfect* (presented January 2003); and *Coming to Terms with Loss Causation after Dura: A Response to Professors Portnoy, Ferrell, and Saha*, *The Journal of Corporation Law*, Fall 2009.

Mr. Toll is an honors graduate of the Wharton School of the University of Pennsylvania (B.S., Accounting, *cum laude*, 1972). He graduated from Georgetown University Law Center (J.D., 1975) where he was Special Project Editor of the *Tax Lawyer*.

### **Linda Singer**

Linda Singer, a Partner, joined Cohen Milstein Sellers & Toll, PLLC in 2009 as head of the Public Client practice group. Ms. Singer is the former Attorney General for the District of Columbia. Ms. Singer has represented clients in approximately 350 matters during her legal career. Ms. Singer brings her extensive experience to lead the practice in supporting state Attorneys General, who serve as the critical front line in litigation protecting consumers, workers, and public resources.

Ms. Singer currently represents Attorneys General in high stakes and high profile investigations and litigation involving consumer and Medicaid fraud, including in mortgage lending and servicing and other financial services and the marketing of prescription drugs, and misclassification of independent workers in violation of state tax and employment laws. The Public Client Practice focuses on cases with a strong policy dimension that are likely to result in litigation, are especially resource-intensive, or require specialized expertise.

Among other cases, Ms. Singer has:

- Represented a state Attorney General in the landmark proceedings against Countrywide Financial (and its parent, Bank of America), which resulted in mortgage modifications and other relief valued at approximately \$8.6 billion. As a result of the settlement, Countrywide agreed to provide loan modifications to 400,000 borrowers nationwide and financial relief to the states and borrowers.
- Represented the States of Arizona and Nevada in consumer fraud lawsuits against Bank of America over the servicing of nearly one half million mortgages. Those cases were settled as a part of the national mortgage settlement with significant additional recoveries for the states and consumers.
- Represented attorneys general in a multi-billion dollar settlement with a major lender over the deceptive marketing of payment option adjustable rate mortgages.
- Represents an attorney general in investigations relating to the securitization of subprime mortgages.
- Represents the State of Mississippi in litigation against credit rating agencies Moody's and Standard & Poor's for consumer fraud. Since Mississippi filed its case, more than two years ago, the Department of Justice and 11 other states have filed similar cases.
- Represents the State of Nevada in multi-forum litigation against Lender Processing Services, a mortgage servicer, for its role in fraudulently executing tens of thousands of mortgage- and foreclosure-related documents.
- Represents the Indiana Attorney General in litigation against McKesson, one of the three largest wholesalers of prescription drugs, and First DataBank, which publishes prescription drug pricing information, for conspiring to fraudulently inflate the average wholesale price of drug prescriptions, causing the Indiana Medicaid program to overpay by tens of millions of dollars.
- Represents attorneys general in various antitrust investigations relating to the financial crisis and technology issues.

- Represented an attorney general in a multi-million dollar misclassification case against Fortune 100 company.
- Represented an attorney general in the investigation of a high profile consumer prescription drug case.
- Represents cities in prescription drug and other consumer fraud investigations.
- Represents two states in investigations of failures of care and Medicaid and consumer fraud by several national health care providers.

Because many of these matters remain non-public investigations, the specific attorney general's office and target are not always listed.

Before entering the private sector, Ms. Singer led the seventh-largest state Attorney General's office in the nation, overseeing the litigation and policy initiatives carried out by her staff of more than 350 lawyers. As the chief law enforcement office for the District of Columbia, she was responsible for overseeing all of the District's litigation, providing legal advice to the Mayor and the Directors of other District agencies, and for representing the interests of District residents through enforcement initiatives focused on consumer protection, public safety, and the environment. During her tenure as Attorney General, Ms. Singer successfully petitioned the Supreme Court to hear its first Second Amendment case in more than 70 years; developed new initiatives to combat gun violence; and expanded enforcement litigation aimed at protecting consumers, children, tenants, and victims of domestic violence.

Prior to serving as Attorney General, Ms. Singer was the Executive Director of the Appleseed Foundation, a national network of public interest law centers. Earlier in her career, Ms. Singer served as a staff attorney in the Criminal Defense Division of the Legal Aid Society of New York City. She has spoken extensively before legal and other audiences and is a frequent contributor to numerous legal trade publications.

In 2010, Ms. Singer was selected one of "Washington's Most Influential Women Lawyers" by The National Law Journal.

Ms. Singer is a graduate of the Harvard College (B.A., *magna cum laude*, 1988) and of Harvard Law School (J.D., *magna cum laude*, 1991).

Ms. Singer is admitted to practice in the District of Columbia and New York.

#### **R. Joseph Barton**

Joseph Barton, a Partner at the Firm, joined Cohen Milstein in 2001 and is a member of the Employee Benefits practice group.

Prior to joining the firm, Mr. Barton served as a judicial law clerk to the Honorable Lenore C. Nesbitt, United States District Judge for Southern District of Florida (2000-2001). Since joining the firm, Mr. Barton has been actively involved in a variety of class action cases involving employee benefits as well as antitrust and securities cases.

Mr. Barton has been actively involved in a diverse number of employee benefit cases. He has litigated and is litigating a number of private ESOP cases. In litigation challenging the sale of stock for \$25

million by the family shareholders to the Azon Corporation ESOP, Mr. Barton defeated defendants' summary judgment motions and obtained partial summary judgment and obtained a settlement of \$9.25 million for the ESOP participants. In litigation challenging a sale of stock to the Tharaldson Motels Inc. ESOP (one of the largest ESOP's in the country) for \$500 million, Mr. Barton obtained a determination that former employees had standing to sue as participants of the plan. Mr. Barton has also been involved in a number of cases alleging breach of fiduciary duty by investing the 401k plan in company stock of publicly traded companies. In *Simpson v. Fireman's Fund Insurance Company* (N.D. Cal.), Mr. Barton represented a class of active and terminated employees alleging that FFIC's policy of terminated persons on disability violated the discrimination provisions of ERISA, and obtained a settlement restoring their right to benefits for a period of years and also reimbursement of past expenses. Mr. Barton has been lead trial counsel in two complex class action ERISA cases, obtaining favorable results at the trial level, most recently a trial challenging a transaction involving the Trachte ESOP and the Alliance ESOP on behalf of a class of employees of Trachte.

In addition to private ESOP cases, Mr. Barton has litigated a number of cases involving allegations of fiduciary misconduct involving the purchase or holding of publicly-traded employer stock in 401k or other retirement plans. Mr. Barton was also involved in one of the earliest cases challenging the prudence of investment and fees of the pension and 401k plans sponsored by New York Life Insurance Company. Mr. Barton is currently involved in the litigation against the Weyerhaeuser Company in alleging that the plan's investment of defined benefit pension plan assets in an array of hedge fund and private equity was imprudent.

(settlement of \$2.3 million). Mr. Barton represented a limited partners of Lipper Convertibles, a defunct hedge fund, in an arbitration against the fund's former general partners, *Levitt v. Lipper Holdings et al.* (AAA), and in litigation against the outside auditor in federal district court, *Levitt v. PricewaterhouseCoopers* (S.D.N.Y.) in connection with their investments in the Partnership which were allegedly overvalued for over 5 years.

Mr. Barton has also worked on a number of antitrust actions. Mr. Barton was a part of the team that engaged in intensive trial preparations in *In re High Fructose Corn Syrup Antitrust Litigation*, (C.D. Ill.), a class action alleging price-fixing by the manufacturers of high fructose corn syrup, which settled for more than \$500 million shortly before trial. Mr. Barton litigated *In re Mercedes-Benz Antitrust Litigation* (D.N.J.), a class action alleging price-fixing of new Mercedes-Benz vehicles in the New York Region, that settled for \$17.5 million or 50% of Plaintiffs' calculation of actual damages. In connection with the Mercedes-Benz litigation, Mr. Barton briefed and argued and obtained summary judgment on an issue of first impression that established that lessee-plaintiffs had standing to sue as direct purchasers under the federal antitrust laws.

Mr. Barton considers pro bono representation an important component of his practice and usually has at least one pro bono representation. He has represented a number of clients involving actions concerning their employer's failure to pay wages and/or overtime. In one such action, the Judge in

D.C. Superior Court described Mr. Barton's representation as follows: "everything done on behalf of the Plaintiff has been professional, timely and thorough."

Along with the non-profit law firm Midwest Environmental Advocates, Mr. Barton provided pro bono representation to the grassroots citizens action group Clean Water Action Council of Northeastern Wisconsin, in objecting to a settlement by the United States Department of Justice and the State of Wisconsin concerning natural resource damages in the Fox River area of Wisconsin.

ON BEHALF OF CORLEW MUNFORD & SMITH PLLC**

John G. Corlew, declares as follows:

1. I am a member of the law firm of Corlew Munford & Smith PLLC. I submit this declaration in support of Co-Lead Counsel's application for an award of attorneys' fees in connection with services rendered in the above-captioned action (the "Action").
2. My firm acted as one of Plaintiffs' Counsel in this Action. In this capacity, my firm reviewed and analyzed documents.
3. The schedule attached hereto as Exhibit 1 is a detailed summary indicating the amount of time spent by each attorney and professional support staff employee of my firm who was involved in this Action who billed ten or more hours to the Action, and the lodestar calculation for those individuals based on my firm's 2013 billing rates. For personnel who are no longer employed by my firm, the lodestar calculation is based upon the billing rates for such personnel in his or her final year of employment by my firm. The schedule was prepared from contemporaneous daily time records regularly prepared and maintained by my firm. Time expended in preparing this application for fees and reimbursement of expenses has not been included in this request.

4. The hourly rates for the attorneys and professional support staff in my firm included in Exhibit 1 are the same as the regular rates that would be charged for their services in non-contingent matters.

5. The total number of hours expended on this Action by my firm from its inception through and including May 31, 2013, is 40.4. The total lodestar for my firm for that period is \$9,090.00, all of which is for attorneys' time.

6. My firm has no unreimbursed expenses incurred in connection with the prosecution of this Action from its inception through and including May 31, 2013.

7. With respect to the standing of my firm, attached hereto as Exhibit 2 is a brief biography of my firm and attorneys in my firm who were principally involved in this Action.

I declare, under penalty of perjury, that the foregoing facts are true and correct. Executed on June 28<sup>th</sup>, 2013.

**██████████ ORDER AWARDING ATTORNEYS' FEES AND REIMBURSEMENT OF EXPENSES**

THIS MATTER having come before the Court on the application of counsel for the Lead Plaintiff for an award of attorneys' fees and reimbursement of expenses incurred in the Litigation; the Court, having considered all papers filed and proceedings conducted herein, having found the settlement of this Litigation with the Defendants to be fair, reasonable and adequate and otherwise being fully informed in the premises and good cause appearing therefor;

IT IS HEREBY ORDERED, ADJUDGED AND DECREED that:

1. This Court has jurisdiction over the subject matter of this application and all matters relating thereto, including all Members of the Class who have not timely and validly requested exclusion.

2. Counsel for the Lead Plaintiff are entitled to a fee paid out of the common fund created for the benefit of the Class. *Boeing Co. v. Van Gemert*, 444 U.S. 472, 478-79, 100 S. Ct. 745 (1980). In class action suits where a fund is recovered and fees are awarded therefrom by the court, the Supreme Court has indicated that computing fees as a percentage of the common fund recovered is the proper approach. *Blum v. Stenson*, 465 U.S. 886, 900 n.16, 104 S. Ct. 1541 (1984).

3. Lead Plaintiff's counsel have moved for an award of attorneys' fees in the amount of 8.7257% of the Settlement Amount (after deduction of reimbursable expenses in the amount of \$3.2 million). This is the fee percentage negotiated by the Court-appointed Lead Plaintiff with Lead Counsel prior to their appointment by the Court pursuant to 15 U.S.C. §78u-4(a)(6) of the PSLRA.

4. This Court adopts the percentage-of-recovery method of awarding fees in this case, and concludes that the percentage of the benefit is the proper method for awarding attorneys' fees in this case.

5. The Court hereby awards attorneys' fees of \$35,151,482 in cash and 1,533,872 shares of Dynege common stock from the Settlement Amount, plus interest on the cash portion of the award at the same rate as earned on the Settlement Amount. These amounts represent the percentage

fee award negotiated between the Court-appointed Lead Plaintiff and Lead Counsel at this level of recovery.

6. Said fees shall be allocated among counsel for Lead Plaintiff by Lead Counsel in a manner which, in its good faith judgment, reflects each counsel's contribution to the institution, prosecution and resolution of the Litigation.

7. The Court hereby awards reimbursement of expenses in an aggregate amount of \$3,200,000.

8. The awarded attorneys' fees and expenses shall be paid to Lead Plaintiff's counsel from the Settlement Amount, subject to the terms, conditions and obligations of the Stipulations of Settlement dated as of March 10 and May 2, 2005.

AND AWARDING COSTS AND EXPENSES TO NAMED AND LEAD PLAINTIFFS**

This matter came on for hearing on December 22, 2008 (the "Final Approval Hearing"), and for a supplemental hearing on January 6, 2009 (the "Supplemental Fairness Hearing") to consider any objections received as a result of the Supplemental Notice to the Class ordered by this Court on December 15, 2008, upon the application of the parties for approval, pursuant to Rule 23(e) of the Federal Rules of Civil Procedure, of the Settlement set forth in the Stipulation and Agreement of Settlement dated September 16, 2008 (the "Stipulation") resolving the above-captioned action (the "GM Securities Action"), and which, along with the defined terms therein, is incorporated herein by reference; and for approval of Co-Lead Counsels' Motion for (I) Award of Attorneys' Fees and Reimbursement of Expenses (the "Fee Request") and for (II) Awards to Lead and Named Plaintiffs (the "Costs Awards"), and the Court having considered all papers and arguments submitted in favor of and in opposition to the Fee Request and Costs Awards, and otherwise being fully informed in the premises and good cause appearing therefor,

IT IS HEREBY ORDERED, ADJUDGED AND DECREED as follows:

1. The Court, for purposes of this Order, adopts all defined terms as set forth in the Stipulation.

2. Pursuant to and in compliance with Rule 23 of the Federal Rules of Civil Procedure, the Court hereby finds that notice of the Final Approval Hearing (the “Notice”) was given in accordance with the Court’s Order of Preliminary Approval and for Notice and Hearing dated September 23, 2008 (the “Preliminary Approval Order”) and its Order dated December 16, 2008 regarding the Supplemental Notice to members of the Class as certified by the Court in the Preliminary Approval Order, advising them of Co-Lead Counsels’ intention to seek (1) the Fee Request and (2) the Costs Awards, and of their right to object thereto, and a full and fair opportunity was accorded to all Class Members to be heard with respect to the Fee Request and the Costs Awards, and that said notice was the best notice practicable and was adequate and sufficient.

3. In response to the Notice, there were the following objections to the Fee Request filed or asserted by apparent class members, as follows: (1) the Pennsylvania State Employees’ Retirement System (“SERS”); (2) Independent Fiduciary Services (“IFS”), which is the fiduciary for several trusts through which GM employee benefit plans are funded; (3) Mildred Terry Warren; (4) Gregg Geanuracos; (5) Larry Banks; (6) Hans Klar; (7) Merle and Martha Likins; (8) Rick Jasinski; (9) Glenn Brewer and Elise Fitzgerald; (10) Masako Nakata; (11) Michael and Babette Rinis; (12) Paul Garrett; (13) Peter Spitalieri; and (14) Norman Mintz (collectively, the “Fee Objectors”), and of these, IFS was the only objector to complain about the Costs Awards.

4. The Court has fully considered the submissions and arguments made in favor of and opposition to the Fee Request and the Costs Awards.

5. Co-Lead Counsel are hereby awarded: (i) attorneys’ fees of 15% of the Gross Settlement Fund, plus interest earned thereon at the same rate as the Class; and (ii) reimbursement of litigation costs and expenses in the amount of \$1,524,929.02, plus interest

earned thereon at the same rate as the Class. Immediately after the date this Order is entered, the awarded attorneys' fees and expenses shall be paid from the Gross Settlement Fund to Co-Lead Counsel in accordance with the terms, conditions, and obligations set forth in the Stipulation. The awarded attorneys' fees shall be allocated to the various other plaintiffs' counsel by Co-Lead Counsel in amounts that in Co-Lead Counsels' sole discretion reflect the work performed by each non-lead counsel, as well as each non-lead counsel's contribution to the institution, prosecution and resolution of this case.

6. Lead Plaintiffs Deka Investment GmbH and Deka International S.A. Luxembourg are collectively awarded \$184,205, a fair and reasonable amount under the circumstances, as reimbursement for their active assistance in prosecuting this matter and for their costs incurred in representing the Class. The Court directs that such award be paid from the Gross Settlement Fund.

7. The seven Additional Named Plaintiffs, Claudia Polvani, Costantino Forlano, J. Bryan Dewell, Dan Cleveland, Mark and Ruth Koppelman, Max Marcus Katz on behalf of the Max Marcus Katz Pension & Profit Sharing Plan dated 12/31/78, and Frankfurt -Trust Investment GmbH are awarded \$1,000 each as reimbursement for his, her, or its costs incurred in connection with acting as a plaintiff and Class Representative in this case, which amounts the Court finds to be fair and reasonable.

8. Based upon the evidence and pleadings submitted to the Court, the records at the Final Fairness Hearing and the Supplemental Fairness Hearing and all papers on file in this matter, the Court believes, and hereby finds, that the attorneys' fees and reimbursement of expenses awarded herein are fair and reasonable under the circumstances of the GM Securities Action. In making this award, the Court has considered the factors considered by courts in the

Sixth Circuit to be relevant to the determination of an appropriate fee in common fund cases and finds that:

(a) the Settlement provides for an excellent recovery, one of the largest securities class action settlements ever obtained within this Circuit, with a cash value of \$303,000,000, plus interest, and that numerous Class Members will benefit from the Gross Settlement Fund created through the efforts of Co-Lead Counsel;

(b) Over 829,000 copies of the Notice were disseminated to putative Class Members stating that Co-Lead Counsel were moving for an award of attorneys' fees of up to 19% of the Gross Settlement Fund, plus interest earned at the same rate as the Class, and for reimbursement of additional costs and expenses in an amount not to exceed \$1.75 million, plus interest earned at the same rate as the Class, with the attorneys' fees and expenses awarded herein being less than the maximum fees or expense reimbursements requested by Co-Lead Counsel as set forth in the Notice;

(c) The Court has found the Settlement to be fair, reasonable and adequate;

(d) Co-Lead Counsels' Fee Request as a percentage of the Gross Settlement Fund is consistent with the prevailing law of the Sixth Circuit;

(e) The GM Securities Action involved numerous difficult issues related to liability and damages, and there was a substantial risk of a lesser recovery or no recovery for the Class;

(f) Co-Lead Counsel achieved this Settlement with skill, perseverance, and diligent advocacy for the Class;

(g) Had Co-Lead Counsel not achieved the Settlement, there would remain a significant risk that Lead Plaintiffs and the Class may have recovered less or nothing from

Defendants, particularly from GM, which has needed a massive multi-billion dollar federal bailout;

(h) Co-Lead Counsel pursued this Action on a contingent basis, having received no compensation during the litigation in which they and other plaintiffs' counsel invested almost 25,000 hours of time, and any fee award has always been at risk and completely contingent on the result achieved;

(i) The time spent working on this case was at the expense of time that could have been spent on other cases;

(j) The Fee Request is supported by the Court-appointed institutional Lead Plaintiffs;

(k) A fee award under the percentage of the fund method is appropriate, and an award of 15% of the common fund recovered for the Class in attorneys' fees is reasonable and, in fact, less than awards in similarly complex cases in this jurisdiction;

(l) Lead Counsels' request for reimbursement of expenses is reasonable in light of Lead Counsels' duties to ensure full prosecution of the claims alleged in the Complaint; and

(m) This Settlement was negotiated at arm's-length, and no evidence of fraud or collusion has been presented.

9. There is no just reason for delay in the entry of this Order, and immediate entry of this Order by the Clerk of the Court is expressly directed.

UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF NEW YORK

IN RE: SATYAM COMPUTER SERVICES LTD.  
SECURITIES LITIGATION

No.: 09-MD-2027-BSJ

**ORDER AWARDING ATTORNEYS' FEES AND EXPENSES**

This matter came on for hearing on September 8, 2011 (the "Settlement Hearing") on the motion of Lead Counsel to determine, among other things, whether and in what amount to award Lead Counsel in the above-captioned consolidated securities class action (the "Action") fees and reimbursement of expenses.

The Court having considered all matters submitted to it at the Settlement Hearing and otherwise; and it appearing that notices of the Settlement Hearing substantially in the form approved by the Court were mailed to all Class Members who or which could be identified with reasonable effort, except those persons or entities excluded from the definition of the Class, and that summary notices of the hearing substantially in the form approved by the Court were published in *The Wall Street Journal*, *Investor's Business Daily* and *The Financial Times* and transmitted over *Business Wire* pursuant to the specifications of the Court; and the Court having considered and determined the fairness and reasonableness of the award of attorneys' fees and expenses requested.

NOW, THEREFORE, IT IS HEREBY ORDERED THAT:

1. This Order Awarding Attorneys' Fees and Expenses incorporates by reference the definitions in the Stipulations and Agreements of Settlement (the "Settlement Stipulations") and all

terms used herein shall, with respect to the respective Settlement Stipulations, have the same meanings as set forth in the applicable Settlement Stipulations.<sup>1</sup>

2. The Court has jurisdiction to enter this Order Awarding Attorneys' Fees and Expenses, and over the subject matter of the Action and all parties to the Action, including all Class Members.

3. Notice of Lead Counsel's application for attorneys' fees and reimbursement of expenses was given to all Class Members who could be identified with reasonable effort. The form and method of notifying the Class of the motion for attorneys' fees and expenses constituted due, adequate, and sufficient notice to all persons or entities entitled to receive notice of the motion and satisfied the requirements of Rule 23 of the Federal Rules of Civil Procedure, the United States Constitution (including the Due Process Clause), the Private Securities Litigation Reform Act of 1995 (15 U.S.C. § 78u-4, et seq.) (the "PSLRA"), and all other applicable law and rules.

4. Lead Counsel are hereby awarded attorneys' fees in the amount of 17% of the total Settlement Funds, as well as 17% of any additional Settlement Funds recovered by Satyam from the PwC Entities, net of any taxes withheld from the Initial Escrow Accounts and ultimately paid pursuant to Indian tax law, and \$1,027,076.94 in reimbursement of litigation expenses advanced or incurred by Lead Counsel collectively while prosecuting this Action (which expenses shall be paid from the Settlement Funds) with interest on such fees and expenses at the same rate as earned by the Settlement Funds from the dates the Settlement Funds were funded to the date of payment, which sums the Court finds to be fair and reasonable. The foregoing award of Attorneys' Fees and

<sup>1</sup> The Settlement Stipulations are: the Stipulation and Agreement of Settlement with Defendant Satyam Computer Services Ltd., dated February 16, 2011 (the "Satyam Stipulation") and the Stipulation and Agreement of Settlement between Lead Plaintiffs and the PwC Entities, dated April 27, 2011 (the "PwC Entities Stipulation") entered into by and among Lead Plaintiffs and the Settling Defendants (together, the "Settlement Stipulations").

Expenses shall be payable immediately in accordance with the terms set forth in ¶¶ 19 and 16, respectively of the Satyam Stipulation and the PwC Entities Stipulation. The award of attorneys' fees shall be allocated among Plaintiffs' Counsel in a manner which, in the opinion of Lead Counsel, fairly compensates Plaintiffs' Counsel for their respective contributions in the prosecution and settlement of the Action.

5. Also in accordance with the terms set forth in ¶¶ 20 and 17, respectively of the Satyam Stipulation and the PwC Entities Stipulation, Lead Counsel who seek to be paid their share of the attorney fee and expense award prior to the Effective Date shall be jointly and severally obligated to make appropriate refunds or repayments of attorneys' fees and expenses and any interest thereon paid to Lead Counsel to the Settlement Funds or to the Settling Defendants who contributed the Settlement Funds in direct proportion to their contributions to the Settlement Funds, as applicable, plus accrued interest at the same net rate as is earned by the Settlement Funds, if the Settlements are terminated pursuant to the terms of the Stipulations or if, as a result of any appeal or further proceedings on remand, or successful collateral attack, the award of attorneys' fees and/or litigation expenses is reduced or reversed by final non-appealable court order.

6. Class Representative the Public Employees' Retirement System of Mississippi is awarded \$14,400 as reimbursement for its costs and expenses directly relating to its services in representing the Class.

7. Class Representative Mineworkers' Pension Scheme is awarded \$98,711 as reimbursement for its costs and expenses directly relating to its services in representing the Class.

8. Class Representative SKAGEN AS is awarded \$59,000 as reimbursement for its costs and expenses directly relating to its services in representing the Class.

9. Class Representative Sampension KP Livsforsikring A/S is awarded \$21,000 as reimbursement for its costs and expenses directly relating to its services in representing the Class.

10. Subclass Representative Brian F. Adams is awarded \$2,000 as reimbursement for his costs and expenses directly relating to his services in representing the Class and Subclass.

11. A litigation fund in the amount of \$1,000,000 from the Satyam Settlement Fund shall be established to fund the continued prosecution of the Action against the Non-Settling Defendants.

12. In making this award of attorneys' fees, and reimbursement of expenses to be paid from the Settlement Funds, the Court has considered and found that:

(a) The Settlements have created a total settlement amount of \$150.5 million in cash that is already on deposit and has been earning interest, and that numerous Class Members who submit acceptable Proofs of Claim will benefit from the Settlements created by the efforts of Lead Counsel;

(b) The fee sought by Lead Counsel has been reviewed and approved as fair and reasonable by the Court-appointed Lead Plaintiffs, sophisticated institutional investors that were substantially involved in all aspects of the prosecution and resolution of the Action;

(c) To date, over 208,000 copies of the Notices were disseminated to putative Class Members stating that Lead Counsel were moving for attorneys' fees not to exceed 17% of proposed Settlements and reimbursement of expenses incurred in connection with the prosecution of this Action. Only one objection to the terms of the Settlement and the fees and expenses requested by Lead Counsel contained in the Notice was received, although it was untimely and not filed with the Court as required by the Preliminary Approval Orders. The objector has not proven that he is a member of the Class, nor does he have standing; even if he did, his objection has been considered and overruled;

(d) Lead Counsel have conducted the litigation and achieved the Settlements with skill, perseverance and diligent advocacy;

(e) The Action involves complex factual and legal issues and, in the absence of settlement, would involve lengthy proceedings with uncertain resolution of the complex factual and legal issues;

(f) Had the Settlements not been achieved, there would remain a significant risk that Lead Plaintiffs and the other members of the Class may have recovered less or nothing from the Settling Defendants; and

(g) The amount of attorneys' fees awarded and expenses reimbursed from the Settlement Funds are fair and reasonable and consistent with awards in similar cases.

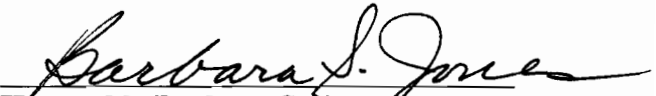

13. Any appeal or any challenge affecting this Court's approval regarding any attorneys' fees and expense application shall in no way disturb or affect the finality of the Judgments entered with respect to the Settlements.

14. Continuing jurisdiction is hereby retained over the parties and the Class Members for all matters relating to this Action, including the administration, interpretation, effectuation or enforcement of the Settlement Stipulations and this Order, including any further application for fees and expenses incurred in connection with administering and distributing the settlement proceeds to the members of the Class.

15. In the event that any of the Settlements are terminated or do not become Final or the Effective Date does not occur in accordance with the terms of the applicable Settlement Stipulation(s), this Order, except for ¶ 5 above, shall be rendered null and void to the extent provided by the applicable Settlement Stipulation(s) and shall be vacated in accordance with the terms of the applicable Settlement Stipulation(s).

16. There is no just reason for delay in the entry of this Order, and immediate entry by the Clerk of the Court is expressly directed.
