I, JAVIER BLEICHMAR, declare as follows pursuant to 28 U.S.C. §1746:

1. I am a member of the law firm of Labaton Sucharow LLP. I am submitting this declaration in support of my firm’s application for an award of attorneys’ fees and expenses in connection with services rendered in the above-entitled action (the “Action”) from inception through March 7, 2014 (the “Time Period”).

2. This firm is Court-appointed Lead Counsel for Lead Plaintiffs in the Action and the principal tasks undertaken by my firm are set forth in detail in the accompanying Declaration of Javier Bleichmar in Support of Lead Plaintiffs’ Motion for Final Approval of Proposed Class Action Settlement and Plan of Allocation and Lead Counsel’s Motion for Award of Attorneys’ Fees and Payment of Litigation Expenses, dated March 19, 2014.

3. The identification and background of my firm and its partners and of counsels are attached hereto as Exhibit A.

4. The information in this declaration regarding the firm's time and expenses is taken from time and expense printouts prepared and maintained by the firm in the ordinary course of business. I and my colleague Nicole Zeiss reviewed these printouts (and backup documentation where necessary or appropriate). The purpose of these reviews was to confirm both the accuracy of the entries on the printouts as well as the necessity for and reasonableness of the time and expenses committed to the Action. As a result of these reviews, reductions were made to both time and expenses either in the exercise of "billing judgment" or to conform to the firm's guidelines and policies regarding certain expenses such as charges for hotels, meals, and transportation. As a result of these reviews and adjustments, I believe that the time reflected in the firm's lodestar calculation and the expenses for which payment is sought are reasonable in amount and were necessary for the effective and efficient prosecution and resolution of the Action. In addition, I believe that the expenses are all of a type that would normally be charged to a fee-paying client in the private legal marketplace.

5. The schedule attached hereto as Exhibit B is a summary indicating the amount of time spent by each attorney and professional support staff of my firm who was involved in the prosecution of the Action, and the lodestar calculation based on my firm's current billing rates. For personnel who are no longer employed by my firm, the lodestar calculation is based upon the billing rates for such personnel in his or her final year of employment by my firm. The schedule was prepared from contemporaneous daily time records regularly prepared and maintained by my firm, which are available at the request of the Court. Time expended in preparing this application for fees and payment of expenses has not been included in this request.

6. The total number of hours spent on this Action by my firm during the Time Period is 3,250.0. The total lodestar amount for attorney/paraprofessional time based on the firm's current rates is \$1,986,951.50.

7. The hourly rates for the attorneys and professional support staff of my firm included in Exhibit B are my firm's usual and customary billing rates, which have been accepted in other securities or shareholder litigations. My firm's lodestar figures are based upon the firm's billing rates, which rates do not include charges for expenses items. Expense items are billed separately and such charges are not duplicated in my firm's billing rates.

8. My firm seeks an award of \$419,283.25 in expenses/charges in connection with the prosecution of the Action. They are broken down as follows:

EXPENSES/CHARGES
From Inception to March 7, 2014

<i>CATEGORY</i>	<i>TOTAL</i>

<i>TOTAL</i>	<i>\$419,283.25</i>

¹ Includes estimated travel costs in connection with attendance at the settlement approval hearing on April 23, 2014.

9. My firm was also responsible for maintaining a litigation fund on behalf of plaintiffs' counsel (the "Litigation Fund"). The expenses incurred by the Litigation Fund are detailed in Exhibit C, below. As reflected in Exhibit C, the Litigation Fund has received contributions totaling \$166,830.89 from plaintiffs' counsel and has incurred a total of \$423,488.77 in unreimbursed expenses in connection with the prosecution of the Action during the Time Period. Accordingly, there is a negative balance of \$256,657.88 in the Litigation Fund, which has been added to my firm's

expense application (*see* paragraph 8, above). The expenditures from the Litigation Fund are separately reflected on the books and records of my firm. These books and records are prepared from expense vouchers, check records and other source materials and are an accurate record of the expenses incurred.

Corporate Governance

Labaton Sucharow is committed to corporate governance reform. Through its leadership of membership organizations, Labaton Sucharow seeks to strengthen corporate governance and support legislative reforms to improve and preserve shareholder and consumer rights.

Through the aegis of the National Association of Shareholder and Consumer Attorneys (NASCAT), a membership organization of approximately 100 law firms that practice class action and complex civil litigation, the Firm continues to advocate against those who would legislatively seek to weaken shareholders' rights, including their right to obtain compensation through the legal system.

From 2009-2011 Partner Ira A. Schochet served as President of NASCAT, following in the footsteps of Chairman Lawrence A. Sucharow who held the position from 2003-2005.

Labaton Sucharow is also a patron of the John L. Weinberg Center for Corporate Governance of the University of Delaware ("The Center") and was instrumental in the task force of the Association of the Bar of the City of New York, which drafted recommendations on the roles of law firms and lawyers' in preventing corporate fraud through improved

governance. One of Labaton Sucharow's partners, Edward Labaton, is a member of the Advisory Committee of The Center.

In early 2011, Partner Michael W. Stocker spoke before the Securities and Exchange Commission's Trading and Markets Division regarding liability for credit rating agencies under the Dodd-Frank Act. His articles on corporate governance issues have been published in a number of national trade publications.

On behalf of our institutional and individual investor clients, Labaton Sucharow has achieved some of the largest precedent-setting settlements since the enactment of the Private Securities Litigation Reform Act of 1995 ("PSLRA"), and has helped avert future instances of securities fraud by negotiating substantial corporate governance reforms as conditions of many of its largest settlements.

Some of the successful cases in which Labaton Sucharow has been able to affect significant corporate governance changes include:

In re Waste Management, Inc. Securities Litigation,
Civ. No. H-99-2183 (S.D. Tex.)

In the settlement of the *In re Waste Management, Inc. Securities Litigation* case, we earned critical corporate governance improvements resulting in:

- A stronger and more independent audit committee;
- A board structure with greater accountability; and
- Protection for whistleblowers.

In re Bristol-Myers Squibb Securities Litigation,
Civ. No. CV-98-W-1407-S (N.D. Ala.)

In *Bristol-Myers Squibb*, we won unprecedented corporate governance concessions, including:

- Required public disclosure of the design of all clinical drug trials; and
- Required public disclosure on the company's website of the results of all clinical studies on drugs marketed in any country throughout the world.

Cohen v. Gray, et al.,

Case No. 03 CH 15039 (C.C. Ill.)

In this case against the Boeing aircraft company, we achieved a landmark settlement establishing unique corporate governance standards relating to ethics compliance including:

- At least 75% of Boeing's Board must be independent under NYSE criteria;
- Board members will receive annual corporate governance training;
- Direct Board supervision of an improved ethics and compliance program;
- Improved Audit Committee oversight of ethics and compliance; and
- A \$29 million budget dedicated to the implementation and support of these governance reforms.

In re Vesta Insurance Group Securities Litigation,

Civ. No. CV-98-W-1407-S (N.D. Ala.)

In settling Vesta, the company adopted provisions that created:

- A Board with a majority of independent members;
- Increased independence of members of the company's audit, nominating and compensation committees;
- Increased expertise in corporate governance on these committees; and
- A more effective audit committee.

In re Orbital Sciences Corporation Securities Litigation,

Civ. No. 99-197-A (E.D. Va.)

In this case against Orbital Sciences Corporation, Labaton Sucharow was able to:

- Negotiate the implementation of measures concerning the company's quarterly review of its financial results;
- The composition, role and responsibilities of its Audit and Finance committee; and
- The adoption of a Board resolution providing guidelines regarding senior executives' exercise and sale of vested stock options.

In re Take-Two Interactive Securities Litigation,

Civ. No. 06-CV-803-RJS (S.D.N.Y.)

In settling *Take-Two Interactive*, we achieved significant corporate governance reforms which required the company to:

- Adopt a policy, commonly referred to as "clawback" provision, providing for the recovery of bonus or incentive compensation paid to senior executives in the event that such compensation was awarded based on financial results later determined to have been erroneously reported as a result of fraud or other knowing misconduct by the executive;
- Adopt a policy requiring that its Board of Directors submit any stockholder rights plan (also commonly known as 'poison pill') that is greater than 12 months in duration to a vote of stockholders; and

- Adopt a bylaw providing that no business may be properly brought before an annual meeting of stockholders by a person other than a stockholder unless such matter has been included in the proxy solicitation materials issued by the company.

Trial Experience

Few securities class action cases go to trial. But when it is in the best interests of its clients and the class, Labaton Sucharow repeatedly has demonstrated its willingness and ability to try these complex securities cases before a jury. More than 95% of the Firm's partners have trial experience.

Labaton Sucharow's recognized willingness and ability to bring cases to trial significantly increases the ultimate settlement value for shareholders.

In *In re Real Estate Associates Limited Partnership Litigation*, when defendants were unwilling to settle for an amount Labaton Sucharow and its clients viewed as fair, we tried the case with co-counsel for six weeks and obtained a landmark \$184 million jury verdict in November 2002. The jury supported plaintiffs' position that defendants knowingly violated the federal securities laws, and that the general partner had breached his fiduciary duties to plaintiffs. The \$184 million award was one of the largest jury verdicts returned in any PSLRA action and one in which the plaintiff class, consisting of 18,000 investors, recovered 100% of their damages.

Notable Lead Counsel Appointments

In re Regions Morgan Keegan Closed-End Fund Litigation,
No. 07-CV-02830 (W.D. Tenn)

Labaton Sucharow served as sole lead counsel, representing the Lion Fund, L.P., Dr. J. Sulieman, and Larry Lattimore, in this case against Regions Morgan Keegan (“RMK”), alleging that they fraudulently overstated the values of portfolio securities and reported false Net Asset Values (“NAVs”). RMK also falsely touted their professional portfolio management by “one of America’s leading high-yield fund managers” when, in fact, portfolio securities frequently were purchased blindly without the exercise of basic due diligence. On April 13, 2011, defendants moved to dismiss. On March 30, 2012, the court issued an Opinion denying the motions to dismiss nearly in their entirety. The court upheld the Section 10(b) claims as against the Funds and defendant James R. Kelsoe, the Funds’ Senior Portfolio Manager, and dismissed those claims as against three other individual defendants. The court upheld plaintiffs’ Securities Act claims in their entirety. In April 2012 Labaton Sucharow achieved a \$62 million settlement.

In re HealthSouth Securities Litigation,
Civ. No CV-03-BE-1500-S (N.D. Ala.)

Labaton Sucharow served as co-lead counsel in a case stemming from the largest fraud ever perpetrated in the healthcare industry. In early 2006, lead plaintiffs negotiated a settlement of \$445 million with defendant HealthSouth. This partial settlement, comprised of cash and HealthSouth securities to be distributed to the class, is one of the largest in history. On June 12, 2009, the court also granted final approval to a \$109 million settlement with defendant Ernst & Young LLP (“E&Y”), which at the time was approximately the eighth largest securities fraud class action settlement with an auditor. In addition, on July 26, 2010, the court granted final approval to a \$117 million partial settlement with the remaining principal defendants in the case, UBS AG, UBS Warburg LLC, Howard Capek, Benjamin Lorello, and William McGahan (the “UBS Defendants”). The total value of the settlements for HealthSouth stockholders and HealthSouth bondholders, who were represented by separate counsel, is \$804.5 million.

In re NYSE Euronext Shareholders Litigation,
Consolidated C.A., 6220-VCS (Del. Ch. 2011)

Labaton Sucharow played a leadership role in landmark shareholder litigation arising from the acquisition of the New York Stock Exchange—a deal that had implications not only for NYSE shareholders, but for global financial markets. Following aggressive litigation spanning both sides of the Atlantic, the Firm secured a proposed settlement which would have provided a special dividend of nearly a billion dollars to NYSE shareholders if the transaction was completed. While European regulators ultimately rejected the merger in 2012 citing anticompetitive concerns, the Firm’s work in the litigation cemented its reputation as a leader in the field.

In re American International Group, Inc. Securities Litigation,
No. 04 Civ. 8141 (JES) (AJP) (S.D.N.Y.)

In one of the most complex and challenging securities cases in history, Labaton Sucharow secured a landmark \$725 million settlement with American International Group (“AIG”) regarding allegations of bid rigging and accounting fraud. This followed our \$97.5 million settlement with AIG’s auditors and an additional \$115 million settlement with former AIG officers and related defendants which is still pending before the court. Further, a proposed \$72 million settlement with General Reinsurance Corporation, which was alleged to have been involved in one of the accounting frauds with AIG, was approved by the Second Circuit on September 11, 2013. In total, the four AIG settlements provided a recovery of more than \$1 billion for class members.

In re Countrywide Financial Corp. Securities Litigation,
No. CV 07-cv-05295-MRP-MAN (C.D. Cal.)

Labaton Sucharow served as sole lead counsel on behalf of the New York State Common Retirement Fund and the five New York City public pension funds. Plaintiffs alleged that defendants violated securities laws by making false and misleading statements concerning Countrywide’s business as an issuer of residential mortgages, the creditworthiness of borrowers, underwriting and loan origination practices, loan loss and other accounting provisions, and misrepresenting high-risk low-documentation loans as being “prime.” While the price of Countrywide stock was artificially inflated by defendants’ false representations, insiders received millions of dollars from Countrywide stock sales. On February 25, 2011, the court granted final approval to a settlement of \$624 million, which at the time was the 14th largest securities class action settlement in the history of the PSLRA.

At that time, this settlement was the largest common fund settlement of a securities action achieved in any court within the Fifth Circuit and the third largest achieved in any federal court in the nation. Judge Harmon noted, among other things, that Labaton Sucharow “*obtained an outstanding result by virtue of the quality of the work and vigorous representation of the class.*”

In re General Motors Corp. Securities Litigation,

No. 06-1749, (E.D. Mich.)

Labaton Sucharow was co-lead counsel for DekalInvestment GmbH. The complaint alleged that, over a period of six years, General Motors ("GM"), its officers and its outside auditor overstated GM's income by billions of dollars, and GM's operating cash flows by tens of billions of dollars, through a series of accounting manipulations that included, among other things, prematurely recognizing income from supplier rebates, misclassifying cash flow as operating rather than investing cash flow, and omitting to disclose the nature and amount of GM's guarantee of pension benefits owing to workers at GM's former parts division, now an independent corporation in Chapter 11 bankruptcy protection, Delphi Corporation. On July 21, 2008, a settlement was reached whereby GM made a cash payment of \$277 million and defendant Deloitte & Touche LLP, which served as GM's outside auditor during the period covered by the action, agreed to contribute an additional \$26 million in cash.

No. 8:07-cv-1940-T-33EAJ (M.D. Fla.)

Under the terms of the settlement, which was approved by the court on May 4, 2011, WellCare agreed to pay an additional \$25 million in cash if, at any time in the next three years, WellCare is acquired or otherwise experiences a change in control at a share price of \$30 or more after adjustments for dilution or stock splits.

In re Broadcom Corp. Securities Litigation,

No. 06-cv-05036-R-CW (C.D. Cal.)

Labaton Sucharow served as lead counsel on behalf of lead plaintiff New Mexico State Investment Council in a case stemming from Broadcom Corp.'s \$2.2 billion restatement of its historic financial statements for 1998-2005. In August 2010, the court granted final approval of a \$160.5 million settlement with Broadcom and two individual defendants to resolve this matter, the second largest upfront cash settlement ever recovered from a company accused of options backdating. On April 14, 2011, the Court of Appeals for the Ninth Circuit issued an opinion in *New Mexico State Investment Council v. Ernst & Young LLP*—a matter related to Broadcom. In particular, the Ninth Circuit's opinion held that the complaint contains three separate sets of allegations that adequately allege Ernst & Young's ("E&Y") scienter, and that there is "no doubt" that lead plaintiff carried its burden in alleging E&Y acted with actual knowledge or reckless disregard that their unqualified audit opinion was fraudulent. Importantly, the decision confirms that outside auditors are subject to the same pleading standards as all other defendants. In addition, the opinion confirms that a defendant's pre-class-period knowledge is relevant to its fraudulent scienter, and must be considered holistically with the rest of the allegations. In August 2011, the District Court spread the Ninth Circuit's mandate made in April 2011, and denied Ernst & Young's motion to dismiss on the ground of loss causation. This ruling is a major victory for the class and a landmark decision by the court—the first of its kind in a case arising from stock-options backdating. The decision underscores the impact that institutional investors can have in enforcing the federal securities laws, above and beyond the role of prosecutors and regulators. On October 12, 2012, the court approved a \$13 million settlement with Ernst & Young.

In re Satyam Computer Services Ltd. Securities Litigation,

09-md-2027-BSJ (S.D.N.Y.)

In a case that rivals the Enron and Madoff scandals, lead plaintiffs allege that Satyam Computer Services Ltd., related entities, its auditors and certain directors and officers allegedly made materially false and misleading statements to the investing public about the company's earnings and assets, which had the effect of artificially inflating the price of Satyam securities. On September 13, 2011, the court granted final approval to a settlement with Satyam of \$125 million, with the possibility of an additional recovery in the future. The court also granted final approval to a settlement with the company's auditor, PricewaterhouseCoopers (PwC), in the amount of \$25.5 million. Litigation continues against additional defendants.
