

Application Process

What type of application do you need? Are you a:

Practitioner

If you are applying as an independent practitioner.

OR

Student

If you are in your final year/s (including those in their third and fourth year of study), studying Nutrition or Naturopathy, on presenting evidence of their commencing practical clinical subjects, may purchase products for educational and/or personal use.

Clinic

A Clinic type of application is for those applying on behalf of a clinic. Only clinic owners/administrators who directly employ practitioners can create a clinic account.

Pharmacy or Store

A Pharmacy or Store type of application is for an account that is a place of business in a retail setting e.g. health food store or pharmacy, with a pharmacist or practitioners on site who will be fulfilling scripts and performing consults and abide by our selling standards.
