

# TAKE A *Surfcation*

**IMAGINE HAVING UNLIMITED ACCESS  
TO THE BEST SURF WAVES IN CENTRAL AMERICA!**

With incredible offshore winds nearly all year round, the Meatgrinders reef break is one of Nicaragua's best surfing spots and has been featured on the cover of Surfing Magazine. With a hollow, super-fast, left-hand point break over a shallow reef, Meatgrinders promises long rides in the tube for experienced surfers.

Our all-inclusive package also features free transportation to the nearby Asuchillo Beach break, an A-frame with almond-shaped barrels perfect for novice surfers but still challenging for experts too. Capturing your epic surf session with a professional photographer can be arranged. Enjoy Gran Pacifica's awesome uncrowded waves, golf course, horseback riding on the beach, exploring nature on a bike or hike, and much more!
