InDemand Mobile

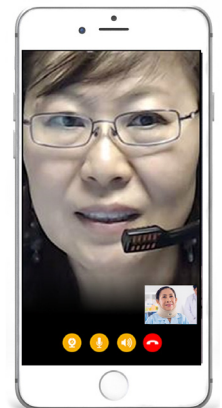

VRI ON THE GO!

InDemand Mobile Case puts VRI in your hands anywhere you need it! The versatile case protects the tablet in three ways. Closed, it prevents impact to the screen and seals out dust and fluids. Open, you have the freedom of cover-free use but with impact protection. A built in easel acts as a secure table stand for hands-free provider/patient engagement.

Travels Well

Simple to Use

Easy Setup

NOTE: InDemand Interpreting does not supply iPhones.
