**Awarded Best Of Houzz 2019**

*Awarded by Community of Over 40 Million Monthly Users, Annual BOH Badge Highlights Home Remodeling & Design Professionals with Top Ratings and Most Popular Home Designs*

**Ripley, WV, January 24, 2019 – Appalachian Log Structures of Ripley, WV** has won “Best Of Design” on [Houzz®](#), the leading platform for home renovation and design. One of the leading log home manufacturers serving customers for over 40 years was chosen by the more than 40 million monthly unique users that comprise the Houzz community from among more than 2.1 million active home building, remodeling and design industry professionals.

The Best Of Houzz badge is awarded annually, in three categories: Design, Customer Service and Photography. Design awards honor professionals whose work was the most popular among the Houzz community.

A “Best Of Houzz 2019” badge will appear on winners’ profiles as a sign of their commitment to excellence. These badges help homeowners identify popular and top-rated home professionals in every metro area on Houzz.

“What a great honor to be selected from over 2.1 million industry professionals as a “Best of Design” award winner for the second year in a row, said Doug Parsons, President of Appalachian Log Structures. Our company strives to design and manufacture high quality log home building materials that use natural renewable resources in a unique and esthetic way.

"Best of Houzz is a true badge of honor as it is awarded by our community of homeowners, those who are hiring design, remodeling and other home improvement professionals for their projects," said Liza Hausman, vice president of Industry Marketing for Houzz. "We are excited to celebrate the 2019 winners chosen by our community as their favorites for home design and customer experience, and to highlight those winners on the Houzz website and app."
