

HOLIDAY GIFT GUIDE

— 2016 —

Upgrade Your Holidays With BizX

Dear Valued Member,

We are so excited to bring you the 2016 Holiday Gift Guide! As we assembled this catalogue, our excitement grew with one unanimous realization: we have better offerings than ever before! This is a fact that we're extremely proud of. Think of it...

The items, services, and listings in this Gift Guide represent members putting their trust in one another. It is the power of this community of smart business owners, coming together, leveraging one another, and turning their membership into a competitive edge in the journey to a stronger business and a better life.

So let's treat this holiday season as a reward for eleven months of battles hard fought, and success rightfully earned. And in case you need some insider's tips, **here are some great ways to use your BizX during the holiday season!**

- Employee Perks [p. 9]
- Charitable Giving (check out our 1% in December initiative) [p. 10]

Giving Tuesday, at BizX it's Giving December

We are greater than the sum of our parts. We are in this together, for each other. We are the business of community. We are BizX.

For us at BizX, these are more than just words. The final verse in our Manifesto, these phrases are core to our DNA. And through the fast-paced, quasi-hysterics of modern day office life, we do our best to maintain our focus on our absolute purpose: To improve the lives and businesses of our members.

Central to the spirit of this purpose is our duty to give back to the communities that we serve, and to act as a catalyst of giving for our members.

So - in honor of Giving Tuesday, we want to step up to the plate while encouraging our members to do the same. In this vein, we are excited to announce the following philanthropic initiative:

BizX will donate 1% of the TOTAL TRANSACTIONS in the month of December, distributed evenly to the charities in the BizX network.

Charity makes up a significant portion of the BizX membership - in fact, BizX has raised and contributed over \$1 million BizX dollars for over 40 charities and

non-profits engaged in the network, including The American Red Cross, the Rivkin Center for Ovarian Cancer, and Habitat for Humanity. For these groups, BizX plays a vital role as they work to accomplish their goals. By accepting donations in BizX dollars, these non-profits are able to off-set burdensome operational expenses and keep more cash focused on helping those in need. And because every BizX dollar that a business has represents new sales through the network, BizX members donate their dollars freely (and collect the same tax deduction as if it was cash, btw!). In this way, BizX is an accelerant to the good work done by our charity partners. A true WIN WIN.

Our passion is for our community. We are a network of entrepreneurs.. individuals that have looked at the odds and chosen the up-hill climb on the road to accomplishing their dreams. And entrepreneurs understand the duty to give back to the the community that has supported them, and to those in need. When you spend BizX this holiday season, feel proud in the knowledge that you will be supporting those who need it most.

Show up for those in need, join the movement, and give with BizX.

BIZX MANIFESTO

BizX is more than a company. BizX is an idea and a network. A gathering of smart business owners with a common purpose – to upgrade their businesses and lives through the power of trade. The BizX team exists to fuel that trade, to enable businesses like yours to unlock their full potential. BizX is a collaboration.

BizX is more than a currency. The BizX dollar contains the blood and sweat, the aspirations and successes of thousands of entrepreneurs like you. Through this trusted currency, otherwise empty seats, un-billed hours, and empty billboards, are transformed into things you want and need. BizX is concrete value.

BizX cannot be owned. BizX belongs to its members, each leveraging the strength of this vast network of like-minded networkers, working successfully against the odds and thriving. BizX members understand the power of collective, the volume of the crowd, the opportunities in the Sharing Economy. BizX is your economy.

*We are greater than the sum of our parts. We are in this together, for each other.
We are the business of community.*

We are BizX.
