

DIGITAL MARKETING SERVICES

Would you like to outsource your marketing to the experts, save time and increase brand awareness and quality enquiries?

Your Digital Marketing Package leverages the power of podcasting to attract and engage your audiences.

- Attract and engage your target audiences
- Increase your competitiveness and market share
- Help your business achieve growth leading to increased profits

Your monthly package includes:

- ✓ Coaching and mentoring session for you and your team
- ✓ Professional podcast recorded, edited, music and uploaded to iTunes and your website
- ✓ Regular Facebook and / or LinkedIn posts
- ✓ Electronic client newsletter
- ✓ Blog posted to your website

Your podcast interviewer and campaign manager is Megan Walker who has delivered high level campaigns for health organisations, not for profits and SMEs for the past 25+ years.

Your Digital Marketing Package only involves an hour of your time each month. It is designed to do your marketing for you while you focus on business as usual.

The Digital Marketing Package starts at \$2,500 ex GST per month.
