

MARKETING CLARITY SESSION

Would you like to boost your brand awareness, clients, repeat business and referrals?

Your tailored Marketing Clarity Session will strengthen your marketing efforts and help you achieve real results.

- Identify your priority marketing activities (lowest cost, lowest time, best return)
- Gain fresh, practical ideas and strategies matched to your skills and resources
- Map out and integrate your digital strategies and lead funnel
- Increase your marketing skills and confidence
- Put an end to wasteful and costly activities

Your Marketing Clarity Session host is Megan Walker who has achieved lasting and genuine marketing results for SMEs, not for profits and health organisations over 20+ years. The two hour session is held by teleconference.

Your investment of \$797 ex GST will create a positive and lasting difference for your organisation.
